

A BRIEF HISTORY

We like to ride

Frustrated with the limited amount of club riding available at the time, a couple BMW owners, with the assistance of some local motorcycle shops, mailed postcards to BMW motorcycle owners across the area. Thirty-one owners, also wanting to ride more, showed up in Carmichael Park on the evening of Halloween, 1982.

The No Name Club

*By January 1983, the ranks of riders had swollen to 53. A volunteer newsletter was started and everyone chipped in \$5 to support the effort. One of the first newsletters asked members for ideas for a club name. River City Beemers was the popular choice, but the runner up name was the No Name BMW Club. So we like to ride *and* we have a sense of humor.*

Today

Our membership now stands at over 200 and we still have a sense of humor. And we also still ride! We still find the time for weekly dinner rides and "Because we can" rides. Then there's the monthly club ride, 4-6 social rides, and another 6-10 additional event-specific weekend rides that can include off-road, camping or just some fun destination.

We're not kidding when we say we're one of Northern California's largest and most active BMW Motorcycle Club.

River City Beemer Activities and Benefits

River City Beemer Activities

While we do have monthly member and board meetings, either of which you're welcome and encouraged to attend, our primary activity is to ride. RCB scheduled rides include a weekly Wednesday dinner ride and a monthly Saturday group ride.

Most months, the club also sponsors an overnight ride to a spectacular CA/NV/OR destination. Initially established as camping trips, most destinations now include KOA sites or motel options for those preferring creature comforts.

Finally, our event calendar regularly includes safety and maintenance classes, and social events like Christmas or Superbowl parties. RCB'ers tend to keep a pretty full calendar.

River City Beemer Benefits

While the riding is fun, there are other reasons to join the River City Beemers:

- **Free** stuff! (*OK, you have to buy the raffle ticket at the Saturday meeting but then the prize is free.*)
- **Free** newsletter! (*As long as you pay your dues and can figure out how to download it from our website.*)
- **Free** food! (*Sorry, it's not delivered— You actually have to attend one of events at A&S BMW Motorcycle.*)
- **Free** badge! (*Actually, only the first badge is free. After that, you have to pony up \$15 for any replacements.*)
- **Free** technical assistance! (*This really is free. Post a query on our forum and receive free assistance.*)

Aren't all the best things in life **free**?
