The President's Corner by Bryan Wright

Our annual Officer and Board election is coming up sooner than you think! Nominations for these hotly contested positions are solicited at our October Membership meeting. If you missed the meeting or are finally getting around to reading this article after the meeting—don't worry! Just pass your nominations on to any Board member or Officer. The actual election will be held at our November meeting, which gives candidates plenty of time to campaign. In December we will rehash the results, and deal with any controversial topics that may crop up such as rigged votes, dangling chads and the like.

Each of our officers (President, VP, Secretary and Treasurer) serves a one-year term, from January 1st through December 31st. Members of the Board of Directors serve two-year terms, so we look to fill about half of the spots each year. Other positions such as Newsletter Editor and Webmaster are hereditary and are not filled as part of the election. They are restaffed only after the untimely demise of the current position holder. (Just kidding Kim and Bill!)

There are numerous benefits and positive factors to serving in one of these capacities. Chief among these is access to the secret Officer/Director Clubhouse. While some people think it looks a lot like the Western Coffee Pot, I think they simply lack imagination. As an officer or director you have access to the Clubhouse each month on the evening of the second Tuesday. You also help set the direction of the club through approval of funding for activities and acting as a representative of the membership as a whole.

Over the past four years, I've only been able to find one item that might be construed as a downside to serving. That downside is that these positions don't work as well in an absen-

tee capacity, so you need to be involved. For most of us that involvement includes attending Board meetings and occasionally helping with an activity. Over the course of a year, that usually averages out to a few hours per month. I've found that if I help out on activities that I was planning to attend anyway, it actually increases my enjoyment (and also gives me a great chance to influence the menu in my favor). If you've heard rumors that candidates are required to document their position on the issues (do loud helmets save lives?) and debate other candidates, don't worry, those are just rumors...

Many folks have a good chuckle about our "Officer For Life" positions (I chuckle too, but it probably sounds a bit forced). All joking aside, there is one big benefit our club misses as a result of this low level of turnover--with increased participation comes fresh blood, and with fresh blood comes fresh ideas. No matter how enthusiastic someone is about something, there comes a time when it becomes increasingly difficult to come up with new ideas or suggestions. Those of you who have read this column for any length of time should find that readily apparent. If it isn't, wait until you finally get to read Acorn the Squirrel's column "The Wonderful World of Nuts" in an upcoming issue!

And, speaking of Acorn, this November don't forget to vote for Acorn the Squirrel--Supreme Dictator in 2004!

Sierra BMW is holding there second annual BMW motorcycle fund-raising raffle. You can download info from the Sierra BMW Motorcycle site www.sierrabmw.com.

Tickets for the 2004 R-1150-RT are \$25 or 5 for \$100. We've sold about 500 tickets so you have great odds. The drawing will be held on Oct 4, 2003 regardless of the number of tickets sold. Last year we sold less than 1000 of the 2000 tickets printed. We appreciate the support you and your club gave us last year.

Twisty Roads *and* Microbrew

The November 1 RCB ride will guide us over some of the best twisty roads to the coast.

We will leave from the Western Coffee Pot after the monthly meeting, promptly at 9:00 am. For those who just can't get enough twisties, we plan to stay overnight at the Fortuna Super 8 hotel, so we can ride more great roads home on Sunday.

The Super 8 just happens to be right next door to the Eel River Microbrewery where we will have

dinner. Those who are only able to ride on Saturday can take the optional route home after lunch.

If you plan to stay overnight, you must make your own hotel reservations: Super 8: 707-725-2888, about \$50-56 or Holiday Inn Express: 707-725-5500, about \$75-95 which includes continental breakfast.

For those who prefer camping, there is a KOA within walking distance of the brewery. Contact David Rives, 916-487-0233.

Mexican Fiesta at Manchester Oct 10-12

October 10 -12 Manchester Beach is going south of the boarder!! This year's theme is Mexican Fiesta!! So dust off you serapes and shine your spurs.

Who knows, a couple of us might be able to re-use our costumes from last year.. Dinner Saturday night will be of a Mexican theme, and for a special treat, Jack Klauschie has invited a couple of chili chefs who will prepare their award winning chili's.

Our guest chefs are "World Chili and Salsa Place Holders." They are Trecia Nienow, (single and good looking, but alas another attorney), Pat McCully, Geri Lin, and Clair Nienow. They will just have competed at the International chili and Salso Cook-off in Reno the weekend before so their skills will be sharp.

We have asked them to cook green and red chili for a variety of palates, and prepare mild to hot salsa. Tri-tips will be BBQ'd with other sides to be determined by Le Chef Lynell, who can be bribed with good chardonnay, if you have a request.

Friday night we will have chips & salsa but you are on your

own for dinner. There are restaurants available up and down the coast. The Manchester Beach KOA Kampground is on the Medocino coast 6 mi. North of Point Arena and 35 mi. South of Mendocino on Pacific Coast Hwy 1.

Reservations: If you are tenting with us, no reservation is required. Pay your \$9 per person per night at the campground office and tell them you're with the motorcycle group. If you want to sleep in a Kamping Kabin or bring your RV you

will need to call and make separate reservations with the KOA at 800-KOA-4188 and let them know you are with the RCB M/C club.

For more information on the KOA site and area you can check out their web site at <http://www.mcn.org/a/mendokoa/>

Because this is RCB's largest camping event of the year, please RSVP Jack at 916/978-3420 x 175, 530/677-6395 or email him at jackklau@pacbell.net.

We will also be issuing wristbands at check in so we know who's supposed to be there and who isn't.

Jeff Park says “Thanks RCB”

Hi, I didn't know whom to send this email to, but perhaps you could pass my thanks along to those members that were at your 8/16 /03 Breakfast.

I am from Alaska and my old airhead was having a problem. I rode over to see if anybody could direct me to a shop that could help me out. Your members that were there were very helpful and a fun group of guys to talk and swap stories with. I really enjoyed myself and the next time I am in town I will be sure to

try and attend.

Once again, thanks for helping me out, and making a stranger feel at home.

Lazy Z Resort a Terrific Mountain Hideaway

“Riding is fine”, she says, but Patty also likes a good meal, a soft bed and a special location at the end of a day in the saddle. Lazy Z was just such a spot. Tucked away in the mountains above Twaine Harte, it was a wonderful overnigher. Head south on beautiful Highway 49, then northeast up Highway 108 to Twaine Harte.

Lazy Z is the dream of the Zelinsky family, whose grandparents acquired the 100 wooded acres back in 1946. As a working guest ranch Harold and Mildred Zelinsky offered cabins, pool, horse-shoe pit, badminton, BBQ areas and stables. After their retirement, it fell into disrepair while serving as a boys ranch. Enter brothers Steve and Matt and sister Lari, who in 1980 began the restoration and revitalization of the resort.

The resort is now a first class location with cabins nestled among tall trees, each serving between two and six guests. Full amenities are provided with living rooms, bedrooms, and private baths. Cabins are equipped with kitchens, utensils, linens, so you can wake up to the smell of coffee. Call home, if you must, catch the news on the TV, or watch a favorite flick on the VCR. As for Patty and me, it was a relaxing soak in the hot tub next to the pool, warmth beside the fire-

place, a bottle of wine, and the simple luxury of being adults without kids for one evening. Oops....that may be too much info!

The gorgeously landscaped swimming pool serves as a centerpiece for the resort, with a nearby community center providing a big screen TV and recreation room. The Lazy Z Resort is also an excellent venue for retreats, weddings, family reunions, or other parties, like a Beemer Club Retreat. During their regular season there's barbecue for lunch or dinner. The family also owns a casual restaurant, Papa's "New Roost", located 10 minutes from the resort.

Patty and I always love the solitude of the off-season, so we went in October. The air was crisp and quiet, and we literally had the facility to ourselves, an unusual treat. Located seventy miles from Yosem-

Don't forget the annual Multi-Passes Ride, Sunday, October 5th. This is always a fun ride and a great way to ride the beautiful Sierra passes before an early snowfall closes them for the season. Call Ray Trujillo at 916-723-3320 for details about the starting location.
