The President's Corner by Gary Stofer

Happy New Year! I'm baaaack. If any of you don't know me, I'll offer a little BMW bio. I'm a relative newcomer, having discovered BMW's in April of 1994. Since then, I've accumulated over 300,000 BMW miles, with 200,000 of them on my beloved '96 R1100GS, 'ROBOBYK'. It's still running strong and still my favorite. A bevy of other Beemers account for the other 100,000 miles. I was President of River City Beemers for 4 years starting in 1997 but didn't wander off into the sunset like most of my predecessors. With no idea what photo our newsletter editor will choose to run with this column I should mention that I no longer sport the full beard of my earlier years. Some areas turn gray before the other.

So what's new with our club? Did you know that we're one of the largest local BMW clubs in the country? I think it's time we made a big splash at the BMW Owners Association National rally. This year, the Rally is in Spokane, Washington, July 15-18. Just a long day ride away. But we can make this a lot more interesting.

I invite you to join me in a Rally Tour departing Sacramento on July 7 heading to the Top O' the Rockies Rally in Paonia, Colorado July 9-11. From there we can do a scenic meander up

the Rocky Mountains to arrive in Spokane for the MOA Rally on July 15 or 16. This would not be a giant group ride or parade but more like a Gypsy Tour: a common destination each day and a suggested route. Ride in small groups or alone, as you prefer. I'll have more details as we get closer, but if you're up for a long ride this summer you might plan ahead for this one. Can't do 2 weeks? Jack Klaushie will lead a more direct club tour leaving July 16. Give it some thought. And make sure you pre-register as a member River City Beemers, BMWMOA Club #210. We can easily win the Largest Club in Attendance award. It'll look good hanging in my garage.

February 1, don't miss the Super Bowl/Tech Session at Bryan Wright's home. Let him know if you plan on attending. RCB supplies some munchies and it's nice to have an idea of how many guests to expect. Also remember the President's Day weekend at Death Valley. This is an Airheads event but a lot of us RCBer's participate. I'll be leaving at O'dark thirty February 13 if you're looking

for someone to ride with.

I'm quickly running out of room in this column, but check out the RCB Calendar. We have new activities planned as well as some of our old favorites. A lot of new members have stepped up to the plate this year so even some of the old events may have a new look. It's going to be an exciting year.

RCB 2003 "Rider of the Year" Awards

By Jenny Boakes

Two years ago the Board approved a 'mileage' contest as an incentive for members to get out and ride their bikes. Unlike the BMW MOA contest, which only logs miles, the contest committee wanted to hear about interesting trips members had taken, and we assigned awards accordingly. There were only 2 rules: Entrants must be on a BMW, and they must let the awards committee know about their trips. Entries could be a photograph, receipt, or even a napkin from the Western Coffee Pot.

For 2003 we had few entries, not as many as 2002, and many of the entries submitted consisted only of miles or photos off speedometers, without destinations or sites of interest attached to them. By far, the toughest competition was for the 'most obsessed about miles' category, in which we had several eligible entrants who will remain nameless. Here are our contest winners this year:

President Brian Wright. The winner of the most interesting adventure category again this year was Kim Rydalch, who visited all twenty-one of the California Missions on four separate trips. He also wins the best entry, as he presented his entry in a photo album. Brian visited over 28 states and 50 national parks this year, but couldn't write off any of his trips on his company expense account (like last year)!

Use of your own BMW for Company Business: no entries, so no one has to worry about the IRS this year. Greg Peart, a motor officer with the CHP, rode 30,000 miles in the line of duty.

Most Pillion Miles: Some club members warrant special recognition. These are the pillions that have no choice but to follow the rider wherever they go. Lois Lewis logged about 23,000 miles in a sidecar, and Gloria Davis more than 12,000 miles as passenger this year.

Most Interesting Adventures: Kim Rydalch; Runner-up: Former

Superbowl Party & Tech Session

By Gary Stofer

Once again, Bryan & Marji Wright will host the Superbowl Party & Tech Session at their home in Newcastle. The date this year is February 1 and the game starts at 3:25. River City Beemers will be supplying some snacks and beverages. Tech session starts around Noon or whenever we decide the sun is over the yardarm. Bryan has plenty of workspace available with 2 hoists to use. In the past, the tech session has centered primarily on the Oilhead twins but any BMW is fair game if we have someone who knows how to work on them. We might even watch the game as if that matters: Raider or Niner fans won't have much to

interest them, but who knows?

So what do you have to do? First, CALL Bryan and let him know you're coming so he has enough food & beverage. This would best be done a few days before the event. Second, bring your service supplies if you intend to volunteer your motorcycle as a demonstration. You will do the work yourself under the guidance of those who have been there before. Third, have a great time. Wright's home is in Newcastle at 8920 Derby Ct, phone number is 663-9175. See you there!

January Wine Country Tour

By Terry Caffery

On this tour, **riders** will find some of California's best-known wine regions. Most wineries are open daily year-round for tasting. The picturesque countryside and quaint villages make this a pleasant winter area to visit. Alternate route; From Calistoga go south on Silverado Trail to East Hwy 128, via Lake Berryessa Dam and home through Davis.

2004 New Years Resolution: Attend more club events for better mental stability and spend less on stress related counseling sessions! Here are just a few photos of club members having fun at some of RCB's club events. Some of the clubs favorites are the Multi-Pass ride, Indian Creek campout, or the themed costume campouts at Manchester Beach, the Superbowl tech sessions or the Yerington Ride & Bowl with a ride through Wilson Canyon. Don't miss out!
