Weds. Dinner Ride

Meet between 5-6:30 pm

Leaves every Wednesday evening at 6:30 pm from The Coffee Republic in Folsom

The President's Corner by Gordy Olson

Spring will be here officially in a few weeks but we have all been riding as though it were already here. The weather has been great so far in 2013 and will only get better. Now, if I only had a new bike to ride.....

Speaking of new bikes, the pricing for the new WasserBoxer has been released and the new R1200GS is going to be slightly LESS expensive than the current one. I bet that I will not be the only RCB'er tempted to take the plunge into the water-cooled future of BMW.

Enough day dreaming, now back to business..... Our annual Tech Day was a big success. We had bikes up on every lift and many valves were adjusted, much oil was replaced, and plenty of pizza was consumed. We are very lucky indeed to have a dealer and moto-techs who allow us the opportunity to use their tools and to tap into their expertise. Thanks again to Randy and all his crew!!

There are a number of club events this summer and fall that will require some advance planning and/or reservations, so start thinking about them now. Skills Improvement/Track Day is scheduled for June 23 at the Fernley (NV) Raceway. A track day outing would make an absolutely perfect Fathers' Day gift, so start dropping hints to your children and significant others NOW before they go out and buy you a tie or a "World's Greatest Dad" coffee mug instead! Our yearly trip to Yerington (NV) to embarrass ourselves on the bowling lanes is scheduled for August 3-4. Remember to call and make your hotel reservations. The Club will take care of the rest, including ever-so-fashionable custom bowling shirts for two lucky raffle prizewinners.

The BMWMOA National Rally is July 18-21 in (relatively) nearby Salem, Oregon. The Club is reserving a group camping site at the rally and a number of us are planning a two-day trip up the coast to get there. More details will follow as the event nears, but it looks like we will be splitting the trip up at Crescent City, CA, and staying at the KOA there.

Some "GS-types" (and I hope to have joined that merry band by then!) will be heading up to the Soldier Meadow Guest Ranch outside Gerlach, NV on September 20-22. Interested riders should contact the ranch directly (775-849-1666) to reserve a room. Camping is available as well. Rand Olson will be coordinating this event.

This year's Fall Classic returns to the Manchester Beach KOA on October 4-6. The Club has already booked the group camping area and alerted the KOA management that non-camping RCB'ers will be calling to book their Kamping Kabins. If you are planning to book a Kabin, please do so sooner rather than later and make sure they know that you are part of the RCB group so you get one of the Kabins near the campers and adjacent to Gary and Linda Stofer's motorhome and breakfast nook.

The Club's Board of Directors has finally found a new home for our monthly meetings. We convene on the second Tuesday of every month to discuss the Club's business and all members are welcome to attend. We get together at Cabo's Restaurant on Folsom-Auburn Road in Granite Bay. Dinner is at 6pm and the meeting starts at 7pm (and generally lasts less than an hour).

Thought for the month.....There are only two kinds of people in the world: Those that ride motorcycles and those that WISH they rode motorcycles. We are very fortunate indeed to be in the former group. As always -- ride safely, ride hard, ride often, and ride with your buddies.

Cheers,
Gordy
RCBPREZ

Whale of a Tour B&B ride in March

By Greg Peart

It's time again to make your reservations for the RCB 6th Annual Whale Tour this coming March 8 & 9. Greg & Cyndee Peart will again lead a bed & breakfast tour to the lovely Mendocino coast.

As always, we plan to stay with Jim and Ayla Douglas at the Sea Gull Inn of Mendocino. The rooms are blocked off, so reservations must be made by calling: **The Sea Gull Inn at: 888-937-5204**. Let them know you are with the River City Beemers and you will receive 15% off the standard weekend rate, there is a 2 night minimum stay for this event. Your first night rate will be charged as a deposit when the reservation is made and the balance required at check-in. If we exceed the Inns 9 room limit, Jim or Ayla will assist you in obtaining lodging close by in town. We have never needed more than 9

rooms so far.

As in past events, this will be a very easy going weekend. Activities depend on the weather, size & wishes of the group. The inn is a beautiful place to just chill. Mendocino is a historic district, small coastal town that is just wonderful to stroll about, watch the migrating whales, shop, or just relax. This tour is designed for couples & is a hit with the ladies. Need I mention the fabulous breakfast delivered to your room each morning? As in past years we will again enjoy a group cocktail party each night prior to departing for dinner.

The Plan: Check out The Sea Gull INN at: www.seagullbb.com, then call 888-937-5204 to make your Own Reservation. Then, Call Greg Peart 916-870-7841 & leave contact # or email him at:

XFIL911@comcast.net that you are going with us.

Cutoff date for reservations will be: 8PM, Thursday, February 21, 2012. On Friday, March 8th, meet at 8 AM (if you want breakfast) or 9 AM wheels up at The EPIES Restaurant (also known as Family Restaurant) West Capitol off ramp & I-80(at the east end of the Yolo causeway). Greg's cell phone: 916-870-7841. This is a rain or shine event, cars allowed if needed.

MORRO BAY APRIL 19-21

Once again we'll be kicking off the riding season with a trip to Morro Bay and the wonderful food, sights and excellent roads there.

For those of us going down on Friday the 19th we'll meet at the Shari's restaurant on Florin Road at I-5, eat breakfast if you like, and we'll be on our way at 9:00 AM heading towards Monterey and lunch at that delightful Wild

Thyme Deli again.

After lunch it's a straight shot down the Pacific Coast Highway to Morro Bay, Main Street exit and the Sandpiper Inn. If you haven't made reservations there yet then call Priscilla at 805 772 7503 and tell her you're with the RCB to get the discounted rate. Friday night we'll be having dinner together at Rose's Bar and Grill (right on the

water at the Embarcadero) at 6:30. Saturday we'll be on our own for dinner as we will most likely be on many different schedules, but for Saturday breakfast you can't beat Kitty's Kitchen, a favorite of ours for years. There is a variety of things to do on Saturday; everything from Hearst Castle to Solvang, and of course there are the fabulous roads all over the foothills around SLO and Paso Robles

that Ken has mapped out for us.
Sunday you can leave when you

want, taking one of many roads home. I particularly like heading to Coalinga and taking SR 198 to

SR 25 to Hollister on my way home. Hope to see you all there!

GROUP IRON BUTT RIDE FOR June 8 - CALIFORNIA SADDLESORE 1000

By Fred Jewell

I have had several members express an interest in accomplishing another Iron Butt ride this year, so if I can get 10 riders signed up we can do a California Saddlesore 1000 together.

That's 1000 miles in less than 24 hours, all within the State of California. I'm looking at Saturday, June 8 as the best day to do this - it doesn't interfere with our club meeting/ride, Father's Day or our track day, and the weather should be good with a long period of daylight. I have a route planned that should have the boring sections travelled during the dark and the better parts in the daylight, and no staring into the rising or setting sun.

I would be happy to serve as the

ride certifier for the group, taking care of all the paperwork, which means all you would have to do is ride and get me only two gas receipts, one at Kettleman City and one at Eureka for my certification needs.

The route will also take you across the Golden Gate Bridge in the no-pay direction, which should speed up things there, and really, what would a California SS1000 be without the Golden Gate involved? The total time should be between 16 1/2 and 18 hours, depending on traffic and the amount of stops you make.

Look for a sign up list on the RCB forum coming soon. The cost should be the same as last year if you want the certificate, license plate frame, pin and sticker - \$40

for RCB members, \$45 for non members. This ride qualifies as one you can do for your first IBA ride, so no prior IBA membership is needed. Current IBA members are encouraged to come along as you will get a special California SS1000 pin to add to your collection.

As I get closer to having the ten riders signed up I will have more details regarding the ride, specifically start/end points, route sheets, etc., so please add your name to the list on the forum so I can get this going and we can get another challenging group ride for the RCB.

RCB Rider Skills Improvement Day – June 23

Whether you commute every day, enjoy touring, or taking a leisurely day ride around town, it's time for a riding class. RCB will be offering a riding class on Sunday, June 23, 2013, at the Reno Fernley Raceway.

The track is an environment that offers:

Debris free asphalt;

Corner workers who notify riders of safety hazards;

Runoff areas - no cliffs, rock walls, curbs, telephone poles, guardrails, or trees;

No on-coming traffic or dangerous cross-traffic; and

No speeding tickets.

You will not have to think about anyone using a mobile phone, applying makeup, shaving, texting, eating, or fighting with their kids or spouse while on the track.

The RCB philosophy is to provide an environment where each rider is able to achieve their individual goals, and work to become a more skilled and safer rider. This is NOT a race. RCB understands the best way to learn is in a relaxed and stress free environment where friends, not competitors, are participants.

Basic Rider Requirements:

Minimum Age: You must be 18, or a parent or guardian must be at the track to sign the required waiver.

Motorcycle License: You must have a valid driver's license with a motorcycle endorsement.

Insurance: RCB takes precautions to ensure that the event is safe, but cannot control everything. You ride at your own risk. RCB does not supply insurance for you or your bike.

Medical Insurance: You are required to keep proof of medical insurance coverage with you.

Motorcycle Insurance & Accident Costs: In the event of an accident you are fully responsible for all costs and potential liability, including any medical cost, transportation, or other costs of any kind (we can't list everything). Please be prepared, act responsibly, and take precautions for yourself and others.

Signed Waivers: When you arrive for registration, you must sign a release of liability for RCB and RFR.

Proper Riding Gear:

Common sense and RCB require proper riding gear – an undamaged DOT approved full face helmet with face shield; full leathers, or two-piece leather suit that zips together, or full zip style Cordura (nylon) one-piece (Aerostich), or two piece Cordura zip-together motorcycle suits are acceptable; above the ankle, motorcycle-specific boots; and motorcycle specific gauntlet style gloves are required. CE approved (or similar) body armor, back protector & ear plugs are strongly recommended.

Bike Preparation:

Tires and brakes should be in new or nearly new condition. There can be no evidence of coolant or oil leaks. Taping wheel weights is required, and duct tape works well. Tape over all lenses, and remove mirrors. Blue painters tape works best, and doesn't leave residue. No light should be visible, or bleed through tape. Tape over the speedometer. The reason for taping is to eliminate distractions to you and your fellow riders. By reducing distractions, you can focus on what is important!

Cost and Other Details: To be determined, but RCB hopes to keep the cost at about \$180.00 per rider, hopefully a little less. Reserve the date, and watch the RCB Forum for more details. www.rcb.org

Used Gear: Stich, Leathers, Jackets, XL; I have lots of used street and offroad gear that no longer fits me. It is all mainly XL or larger and the inseam length varies. Highlights include an Aerostich Roadcrafter one-piece and a Syed leather racing suit. I also have some jackets, textile pants and offroad jerseys. This is a good opportunity for larger riders in need of safe gear that are low on cash. Please see the forum ad or contact me for more information.
