Both the months and the mile markers are flying by! It is March already and we are finally getting some much needed rain. I was beginning to worry whether I would ever get to find out if pushing the "Rain Mode" button actually did anything. Now I can happily report that it deploys the cutest little BMW-logged umbrella directly over the tachometer while simultaneously adjusting the chain tension and rejetting my carbs! Ain't German technology grand?!?!?

We had a great Tech Day last month with well over 30 RCB'ers participating. Some came for the pizza, some for the smack talk, and even a couple for the wrenching!! We are genuinely lucky to have a dealership that opens its (back) door to us and provides techs to guide us through the work. Tires were mounted, oil was changed, and one intrepid soul even did a full 18,000-mile service. Way to go, Roger!! One other member brought in a bike frame apparently hoping that others might bring the necessary additional parts to complete his restoration. Needless to say, he left with just that same unadorned frame (although he did win the "RCB Tech Day 2014" hat!).

There are a number of events coming up that require some action on members' parts. We are co-sponsoring a GPS training session down in Concord on April 12 along with the NorCal and CentralCal BMW clubs. RCB has already reserved (and paid for) 10 spots in the class to train assistant ride leaders. There are still a few of these classroom spots unclaimed. Go on the Forum if you want to grab one.

After you take the class, you should be able to find your way down to Morro Bay later in April. If you are planning to go on this ride, you need to make your hotel reservations. Again, details are available on the Forum or from

Rand Olson, the event coordinator.

The Spring Classic (AKA the Trinity Rendezvous) a new event this year is getting a ton of interest. Over 50 people have already signed up and the Board increased the event's budget to accommodate the unanticipated high demand. PastPrez Gary is even bringing up his land yacht and offering his famous "Manchester Beach Continental Breakfast" to all attendees. Camping fees are covered by the Club, but you will need to call the Trinity KOA to reserve a Kamping Kabin if you are "tent-challenged". This should be a great way to spend the last weekend in May on some great roads with some great folks!

The very next weekend (June 7-8) we are off to Samuel P. Taylor Park for the annual Oyster Ride and Campout. The Club has reserved the group camping area right on the little stream that runs through the park. Hope to see a lot of folks there this year.

Kim "Yerington Thunder" Rydalch has finalized plans for this year's Ride 'n' Bowl in Yerington, NV for August 2-3. This long running tradition is one of the highlights of our sporting calendar. Call the Yerington Inn to book your room and make sure to mention that you are one of "Kim's Kids" to get the appropriately discounted rate. As usual, the bowling is free albeit highly embarrassing!

There are other events planned as well the Southwest Tour, the ride to the Chief Joseph Rally, the Lois Lewis Memorial Poker Run, the Railroad Flat Picnic, and many more. Look for details on these and other opportunities in future Newsletters!

Finally, don't forget to renew your RCB membership to get the "timely renewal" discount at A&S. I know that a lot of members have completely recouped their membership fees by taking advantage of this very generous offer. If you have other ideas of how to make the Club an even better deal (other than having RCB-PREZ pay everyone's dues), just let me know!!

Ride safely, ride hard, and - what the hell --go ahead and ride in the rain if we ever get any!

Cheers,
Gordy

Minutes

The meeting was called to order at 7:00 PM by V. P. Klauschie.

Last Month's Minutes: The Minutes from last month were approved without changes.

Treasurer's Report - Written report was presented by the treasure. The insurance for the trailer was paid. The loss to date for the year is mostly due to prepayment of summer events. The BMW RA charter dues of \$15.00 will be paid. Rand will check on the BMMOA charter dues and present for payment. The budget for the Trinity Alps event was raised from \$150.00 to \$500.00. The budgets for the other events remained the same.

Membership Report - Membership is at about + or - 190 paid members. This does not include spouses.

Old Business

Morro Bay - Rand reported that the Morro Bay event was set up. Rand reported that The Dutchman has been reserved for dinner on Saturday night and that the Morrow Crest Motel is ready to take reservations for Friday and Saturday night. There is a posting on the forum to sign up or contact Rand at the email address listed on the forum for a head count.

Saddle Sore 1000: The event has been scheduled for June 21 subject to confirmation with Fred Jewell. Five ladies are signed up already. As posted on the forum: RCB's are invited to sign up and ride an Iron Butt event June 21st. 4-5 women (most of

us RCB members) are going to do this introductory Iron Butt Ride, with awesome help from Fred Jewel who will sign the group in and out and additional safety sweeping by Lynn Yelland and signing in at the halfway point with Jey Yelland. It's gonna be a great experience- if you want to challenge yourself sign up! We need 10 riders, so if you are at all inclined to do this introductory Iron Butt come on! The proposed route is Roseville to Wendover along I-80.

3. **Spring Classic,** It is currently planned for May 30 to June 1 at the Trinity Lake KOA. Thanks to the Rocklin Gang for getting the ball rolling on this one. The budget has been raised from \$150.00 to \$500.00 as reported earlier. The event has shown a lot of interest and should prove to be a great event.

4. **Officer and Directors:** It was pointed out that the list still needs to be updated on the website to reflect the current slate of directors and officers.

New Business

With the RCBPREZ absent officers and directors in attendance revolted and voted to double salaries and benefits starting immediately. This action has no effect on the budget however as zero times two still equals zero.

Meeting was adjourned.

RCB TECH DAY

Date: February 23rd 2014 9:00am

Location: A&S Powersports,
1125 Orlando, Roseville, CA

Organizer: Gordy Olson

Photos of the first 2014 Tech day provided by Jeanie Thurston Women's liaison.

Tech Day was a big hit with over 35 people participating -- some wrenching and many kibitzing! The pizza didn't last long and no fingers or toes were lost -- so all in all, it was a very good day.

RCB FORUM EXCERPTS:

Gordy: There were far more folks watching other folks work on their bikes than there were folks working on their own bikes -- but that is a great way for we neophytes to learn. For example, I watched Lynn rather expertly change the oil on her Water Buffalo and after watching her I am completely confident that I could let her change the oil in mine

Ernesto: It was a great learning day for me. I saw Jack change a tire and change oil with precision. Nearly like a surgeon. Jack, you can always take my appendix out. I know you will not put it back in

Vince: It was great learning experience and after seeing some guys work on the newer bikes, I might convince myself to get a bike that was made in this century.

Thanks to everyone at A&S -- especially all the techs -- who made this event possible! You guys are the best.

50 STATES RANKED FOR HIGHEST MOTORCYCLE OWNERSHIP: YOU WON'T GUESS WHO'S NO. 2

By Blake Bos February 16, 2014

As of the most recent report by the Department of Transportation, there were 8,410,255 motorcycles registered in the United States by private citizens and commercial organizations in 2011. To put this staggering number into perspective, out of every 36 people you meet in the U.S., one of them probably has a motorcycle. For ranking purposes, we won't be looking at total bikes in a state, but rather people per motorcycle (the lower the number, the more common bikes are). So what states in America have the most die-hard moto-enthusiasts?

3. Our liberties we prize and our rights we will maintain -- Iowa

Iowa is now home to the production of the famous Indian motorcycle. Iowa comes in third with 18 people for every motorcycle, beating the national average by 50%. In 2011 the state had 172,929 motorcycles registered, representing 2.1% of all motorcycles in America. Iowa is also home to production of Polaris' (NYSE: PII) Victory and Indian brands, and has the famous Iowa Grand Motorcycle Rally. This Midwest state's wide-open spaces make for a perfect landscape for Polaris' and Harley-Davidson's (NYSE: HOG) famous cruisers.

2. Live free or die -- New Hampshire

The 90-year-old Laconia Motorcycle Week. New Hampshire comes in second with 17 people for every motorcycle beating the national average by 53%. In 2011 the state had 79,266 motorcycles registered, representing 0.94% of all motorcycles in America. New Hampshire also happens to be one of 31 states without a mandatory helmet law. The state is also home to Laconia Motorcycle Week, which dates back to the early 1900s and is one of the countries oldest rallies. Some sources quote attendance as high 300,000-400,000 bikers for this rally, and it is frequently ranked as one of the best rallies in the country. The combination of no helmets, great natural terrain, and the famous Laconia Motorcycle Week make New Hampshire a top spot for motorcycle enthusiasts.

1. Under God the people rule -- South Dakota

416,272 riders made their way to Sturgis in 2011. South Dakota comes in first with 12 people for every motorcycle beating the national average by 66%. In 2011 the state had 69,284 motorcycles registered, representing 0.82%

of all motorcycles in America. South Dakota is famous for the Sturgis Motorcycle Rally, which attracted 467,338 riders in 2013. With 77% of surveyed riders riding a Harley-Davidson, this event is crucial for Harley to not only show off its newest products, but also to monitor its core customer. Investors in Polaris and Harley Davidson would do well to monitor how their brand's present themselves at Sturgis to see if they're gaining market share or losing it.

Since South Dakota hosts the country's largest motorcycle rally and has a small population, it's no surprise this rather thinly populated state takes the No. 1 spot. In 2011 the Department of Transportation began more accurately collecting data for states, so for the first time motorcycle enthusiasts can truly see in which states they have the greatest chance of passing by a fellow rider. For the motorcycle companies this data gives them valuable information on where they can most easily reach the greatest amount of riders and customers. The following table lists the most popular states for bikes.

Rank	State	# Bikes	Population	People per bike
1	South Dakota	69,284	816,598	12

UPCOMING CLUB EVENTS

Whale of A Tour, SeaGull Inn B & B.

The dates will be March 7th and 8th, 2014.

By Greg Peart

It's time again to make your reservations for the RCB 7th Annual Whale Tour. Greg & Cyndee Peart will again lead a bed & breakfast tour to the lovely Mendocino coast. As always, we plan to stay with Jim and Ayla Douglas at the Sea Gull Inn of Mendocino. The rooms are blocked off, so reservations must be made by calling: The Sea Gull Inn at: **888-937-5204**. Let them know you are with the River City Beem-

ers and you will receive 15% off the standard weekend rate, there is a 2 night minimum stay for this event. Your first night rate will be charged as a deposit when the reservation is made and the balance required at check-in. If we exceed the Inns 9 room limit, Jim or Ayla will assist you in obtaining lodging close by in town. We have never needed more than 9 rooms so far. As in past events, this will be a very easy going weekend. Activities depend on the weather, size & wishes of the group. The inn is a beautiful place to just chill. Mendocino is a historic district, small coastal town that is just wonderful to stroll about, watch the migrating whales, shop, or just relax. This tour is designed for couples & is a hit with the ladies. Need I mention the fabulous breakfast delivered to your room each morning? As in past years we will again enjoy a group cocktail party each night prior to departing for dinner.

The Plan: Check out The Sea Gull INN at: www.seagullbb.com, then call 888-937-5204 to make your Own Reservation. Then, Call Greg Peart 916-870-7841 & leave contact # or email him at: XFIL911@comcast.net that you are going with us. Cutoff date for reservations will be: 8PM, Thursday, February 20, 2014. On Friday, March 7th, meet at 8 AM (if you want breakfast) or 9 AM wheels up/full

tank at The EPIES Restaurant (also known as Family Restaurant) West Capitol off ramp & I-80 (at the east end of the Yolo causeway). Greg's cell phone: 916-870-7841. This is a rain or shine event, cars allowed if needed.

A TOUR OF THE SOUTHWEST + PAONIA RALLY

By Fred Jewell

Ken Caruthers and I have been discussing this for quite a while, how can we encourage people to go on a touring ride who may not have done one before? Granted, there are a lot of our members that have ridden across the country any number of times, but for those who are new to touring we felt it would be a good idea to set up a well organized tour, without demanding levels of miles between stops, a 'go as you please' pace, several options to bail out and head

home, and an excellent destination. So, that's what we did. We came up with a ride that will cover about 350 miles per day, taking four days to get to the Top O' the Rockies Rally in Paonia, CO, and will explore some of the greatest roads and most beautiful country along the way.

We will be leaving Susie's on **Monday**, July 14 at 9:00 AM, heading up I-80 to Fernley, NV, and across Nevada on US 50 to our first stop in Eureka, NV. We'll be staying at the Eureka Inn/Best Western Plus that night.

Tuesday finds us going east and south to Panguitch, UT, staying at the Purple Sage Motel. The roads between Cedar City and Panguitch are outstanding motorcycle roads with incredible views of the Cedar Breaks National Monument.

Wednesday we'll be riding on one of the best motorcycle roads in the country - highway 12 from Panguitch to Torrey. Bryce Canyon is on this road, which should give you some idea of the scenery. After that highway 95 going to Blanding, UT, will remind you of the scenery from the roadrunner/coyote cartoons we all watched as kids, minus the falling anvils and pianos. We'll be staying at the Gateway Inn in Blanding that night.

More fantastic roads will be on tap for **Thursday**, in particular the Million Dollar Highway between Silverton and Ouray, CO, one of those roads you just have to do on a motorcycle at

some time in your life; it's that outstanding. If you've come along this far, you might as well attend the rally in Paonia, a favorite of many of the RCB members.

Some details:

You will have to make your own reservations at the motels and register yourself at the rally.

RCB RIDE TO CHIEF JOSEPH RALLY GRANT COUNTY FAIRGROUNDS JOHN DAY OREGON

By Gary Stofer

After a 3 year hiatus, we're going to have a semi-organized club ride to the Chief Joseph Rally in John Day, Oregon. The route is in the planning stages but we'll try to go through Lassen Park. That road is frequently still closed by snow in mid June but with the winter we're having this year, who knows? Plan on leaving (clutch out, gas tank full, bladder empty) at 8:00 AM from Susie's on Thursday, June 12.

Thursday night we will bed down in Lakeview, Oregon at the Best Western about \$110 for 2 beds (541-947-2194) or Executive Inn about \$70 for 2 (541-947-2201) There's a pretty good Mexican restaurant next door where we have a group feed Thursday night. Friday morning we're far less organized and head out whenever to John Day. Your Friday dinner is included in the registration fee so you want to arrive before 5:00 PM. (It's only about 3 to 4 hours from Lakeview to John Day)

After the rally you're pretty much on your own for the ride home. I tend to leave at O'dark thirty and ride straight through. It's about 600 miles if you take US-395 to Reno then I-80 to Sacramento. John Day is in the center of some great riding and the rally site features good grass camping, actual HOT showers, and entertainment that is something besides LOUD. Did I mention that your registration fee includes dinner on both Friday and Saturday nights? Hope to see a lot of you there. Questions? Call Gary Stofer 916-966-7910.

Information on the rally can be found at:
<http://bmwro.org/rally.html>

They encourage everyone to pre-register for the rally.
Pre-Registration: \$40 BMWRO members / \$50 non-members
Gate Registration: \$50 BMWRO members / \$60 non-members

Rally dates are June 12 - 15, 2014

The pants are Olympia X Moto All Season Transition Pants with a zip out water proof liner size 38" waist with a 33 " inseam. I paid over \$500 earlier this year for the suit but it's just too large for me especially when I remove the liner. Color: Grey & black with hi viz yellow trim on jacket. I'd like to have \$200 for it. It's in like new condition.

BMW MOA NEWS**BE CAUTIOUS OF UNSOLICITED EMAIL
A NOTE FROM BMW MOA EXECUTIVE DIRECTOR,
BOB ALDRIDGE**

In a note from BMW MOA Executive Director Bob Aldridge, MOA members were informed that their name and email address may have been inadvertently released to an unknown third party in violation of the BMW MOA's member record confidentiality policy. This was the result of an administrative error and not a breach of the MOA's data security systems. Fortunately, only name and email information was released, however we felt it was our obligation to notify our members of this development.

BMW MOA members should be diligent to independently verify any suspicious email communications. The MOA would not ask members to reveal personal information, passwords or other sensitive data via email. BMW MOA members should also be cautious of any email communication that contains clickable links, even if those links appear to be friendly or frequently visited websites.

Please be assured that your privacy is very important to us and we intend to protect it vigorously. If you believe you have received an inappropriate communication, please contact the BMW MOA office at 636-394-7277 or report the communication via email to our Director of Membership, Ted Moyer at tedm@bmwmoa.org.

Our team sincerely apologizes for any inconvenience this may have caused our members. If you have comments or questions, you may contact Bob directly at bob@bmwmoa.org. Thank you for your understanding and support as we build a better MOA.
