## The President's Corner

Fall is officially here and the riding just keeps getting better and better. The first weekend of October will find nearly one hundred of us up at the Manchester Beach KOA for the annual Fall Classic. Just a few weeks after Manchester, it will be time for the Fall Colors Ride (what used to be known as the Five Passes Ride). Apparently, our esteemed RideMeister did not want to be limited to a mere five passes, so he changed the name to give himself maximum strategic flexibility. Whether the ride ends up including three passes or thirty, rest assured that the roads between the passes will not be straight!

The International Motorcycle Show will be down at the San Mateo Event Center on October 31 through November 2. Our monthly club meeting and ride will be on November 1, so we will probably take a route south towards the IMS Show to make it easy for those who want to continue on and go drool over the new bikes from BMW and all the other marques. Who knows, maybe one of us will win one of those goofy looking custom bikes to display at Susie's!! I suggest displaying the bike since I cannot see how it would be possible to actually ride one of those (since every road EVENTUALLY has to have some kind of curve in it.)

We are planning a second Tech Day on Sunday, November 2, at A&S starting at about 9am. Tech days are a great opportunity to learn how to work on your own bike, to watch your buddies work on theirs, or just to enjoy some free pizza and the smell of motor oil. There will be more information about the event on the website as the date approaches. Rand

Olson has agreed to present a one-hour seminar on the various uses of the WonderWrench. That class alone should be worth the price of (free) admission.

Our November meeting is also the annual election for officers and directors. That means this Prez Corner will be my last chance (I promise!) to ask for volunteers to serve on the RCB Board for 2015 and beyond. Please consider putting a name (yours or someone else's) into nomination for a leadership position in the Club. Our events simply cannot happen without enough members willing to do the extra work that is necessary to make them happen.

The annual Planning Meeting is also coming up in November, so start thinking of ideas for new and exciting events for 2015. We have a collection of hardy perennials (Spring and Fall Classics, Tahoe Chill, Ride 'n' Bowl, et al.), but we can always add some new events -- if we have folks willing to help organize them.

Finally, don't forget to renew your Club membership during the month it expires. When you do so you get 10% on parts and accessories at A&S for the following month. Spend \$240 during that month and -- voila! - the discount covers your membership fees!!

Ride safely.....but don't be boring about it!

Cheers,  
Gordy

### Minutes

The meeting was called to order at 7:03 PM.

**Last Month's Minutes:** The Minutes from the July meeting were moved, seconded and approved without changes. An August board meeting was not held. It was determined that if congress could take off August so could the RCB board.

**Treasurer's Report** – Continue in the "red" but improved \$108.90 over August. Current Assets: \$9,988.37 YTD Net Income- (YTD Net Income- loss (\$998.47) Dave gave us a total comparison between August 2013 and August 2014. 11% difference (to the negative) this year.

**Membership Report** – Membership is at 190 paid members.

### Old Business

Superior Sound Technology return visit- Gordon will contact the company who presented at the June meeting to see if they will return to Susie's on a Saturday to provide services for club members. Several members who purchased the product were satisfied with them- noted turnaround time can be somewhat delayed.

### New Business

Change in Leadership- Gordon offered to bequeath his personalized license license plates "RCB Prez" to the future RCB president- talk about incentive :-). Cost is \$38.00. Board members supported this expenditure. Gordon has absorbed the cost during his tenure. There was discussion about the change in leadership- several members agreed with Jack W's assessment that Gordon has done an extraordinary job as both president and the "rafflemeister" but that his work as the raffelmeister was truly outstanding. Very creative and has resulted in many new and innovative products. Thank you and great job! Some board members may refuse to accept his stated resignation :-). A suggestion for the webmaster to poll the membership using the forum for preferences for future raffle items was made. Just in case the incoming leader is not as skilled in this area....

**BOARD MEETING MINUTES**

CONTINUED

It was also noted that our esteemed Secretary, Tom Moe has indicated he will not be available for another term. More challenging shoes to fill....

**Fall Classic-** \$1150 is budgeted. Jack provided information on the search for a cater for the Saturday night meal- Directors agreed to put out an email to the membership with details on a catered done by the KOA staff. There will be a \$10.00 copay by members for the Saturday evening meal- an excellent value. Jeanie will help Jack with procuring firewood from last year's vendor. Gary Stofer has agreed to shlep numerous items in his motor home, including the ice chests for adult beverages. Fred Jewell has agreed to provide his well received Bloody Mary's if someone will transport the necessary ingredients. If memory serves someone at the membership meeting agreed to transport the Bloody Mary ingredients. Members are on their own Friday night but there may be some pizza available by board Member Mike Harvey.

**Guests Input-** Lisa and Bud----- proposed an alternative solution for priced and portable. They presented an attractive menu for a large group with very reasonable costs. Board members agreed that due to the short time remaining for Manchester Beach activity there is probably not enough planning time; Note: Lisa and Bud were here in August but no meeting was held- but would very much like to consider it for future events. Much appreciation to them for taking their time to come present the idea.

The meeting was adjourned 7:58pm.

## 1994 K75 S MYSTIC RED

For Sale  
 Extremely clean and well kept. There's a little scuff on one bag. very low miles at 26,107. Lovingly cared for. Absolutely NO issues at all. Randy at A&S had a look and told me that, from the factory, this was a low seat bike. Later on someone had the seat reupholstered with 2 to 3" added height. I'm 6' tall and I'm comfortable on it but it can become a low seat bike with no more work than reupholstering the seat making it a great K75 lovely for a lady or shorter guy or first bike for a teenager. It's my second K75. The other one was the first

BMW I ever owned. Headlight protector. I'm pretty sure the little fairing is aftermarket as well - the Stock S had no fairing. This has Laminar Lip double windscreen and works very well. See photo. Dual Air Horn (LOUD!) : ) Thermometer. Touchup paint pen. (may you never need it) Both side bags - all locks are keyed alike including 4 locks on bags, seat lock and ignition. Best to call evenings/weekends or call during day and leave message/question. I'll call you back. \$4000 or - what the heck, make me an offer. It's a beauty. Bike is in Roseville.
