HAPPY ST. PATRICK'S DAY, EVERYBODY!

As a special tribute to the Irish in all of us, the Club will cover the cost of any member wishing to paint his or her bike green for the festivities. To qualify for this offer, the entire bike must be painted (except for the tires and windscreen, of course), but different shades of green may be used on various body parts. If this new program is a success, the Club will consider funding similar color scheme programs for other holidays throughout the year: i.e., soft pastels for Easter; red/white/blue for July 4th; orange and black for Halloween; fall foliage shades for Thanksgiving; and red and green for Christmas.

We had a great Spring Tech Day at A&S on February 22. Over two dozen RCB'ers came to work on their bikes (or to watch others work on theirs) and to eat pizza. Everyone got their desired tasks completed with nary a busted knuckle or left over gasket. We will have another tech day in the fall and I will make every effort to work with our gracious hosts from A&S to make certain that a BMW-specific tech is there to offer advice and encouragement. We all got our first looks at the Club's new GS-911 diagnostic tool that can read the fault codes on the new water-cooled boxers. Along with the earlier GS-911 version that the Club already had, we can now accommodate all recent BMW models. Use of both GS-911's is available to any Club member. BTW: Ken is looking for someone to take custody of one of

the GS-911's so he is not the sole source of diagnostic wisdom in the Club. Contact Ken directly to make arrangements for the use of one of the units or to volunteer to be his "lovely assistant from the audience"! We have a lot of events coming up this spring. The Sea Gull Inn event (aka "Couples' Weekend") is March 13-15 and there are still a few rooms available. Our annual Morro Bay ride is in April. May starts with the Louis Lewis Memorial Poker Run and concludes with the Spring Classic at the Trinity KOA. June also has two great events, the Oyster Run to start the month and the newly added "Rope Swing Campout" up in Newcastle to close it out. Details on all of the events will be available on the RCB website as their respective dates draw nearer. I am already getting excited about the BMW MOA National Rally in Billings, MT, in late July. The ride there should be spectacular, including the Beartooth Highway, Yellowstone, and the Chief Joseph Highway among others. The Little Bighorn National Monument is less than an hour from Billings and should be a great day trip when we are up there in Big Sky Country. Tom Moe (sole member of the RCB's Montana Chapter) is already engaged in forward reconnaissance and will provide a full itinerary before we hit the road in July. This should be a really memorable week.

Spring is here – get out there and ride!

Cheers,
Gordy

Minutes

The meeting was called to order at 7:00 pm.

Last Month's Minutes: The Minutes from the January meeting were approved.

Treasurer's Report – Current Assets: \$8,501.76 - 2015 YTD Net Income- loss (\$230.92). Full Treasurers Report dated Jan 31, 2015 is attached.

Membership Report – 200 members

Old Business

2015 Budget – Dave presented the 2015 Planned Budget for review along with a summary of the income/expense incurred during 2014. With a seen disparity between expected income and planned costs, a detailed review of the Profit & Loss statement along with discussion on how to put forth a balanced budget ensued. Actions taken:

The 2015 Event Budget was approved. Co-pays to be charged on overnight events to cover incurred expenses.

The overall 2015 Preliminary Budget was approved with further alignment of costs to be made per the above action taken.

Further discussion planned to determine if other income resources to be initiated to ensure a balanced 2015 budget.

GS911 Diagnostic Tool – Ken has ordered to GS911 Tool (cost approximately \$700). Availability of this tool for use by all club members to be announced at March 7 meeting.

Three Flags Classic Tour 2015 – Jeanie provided the update that 245 participants have signed up (300 available spots) and an additional event day has been added. She will post an updated on the website.

New Business

Morro Bay – The monthly ride to Morro Bay is scheduled for April 17-19. Rand to post an update and sign-up list on the Forum so a room count can be provided to the Morro Crest Hotel.

Membership Inquiry – Ray presented an inquiry received proposing that future membership fees be waived for "founding RCB members." The Board considered the request and agreed that some kind of recognition of founding members is fitting – i.e. an introduction at the Christmas party or an article in the newsletter was discussed. Before moving forward, a list of surviving members will need to be established.

GPS Tech Day – Jeanie informed the group that the Gold Country Riders are having a GPS Tech Day. With discussion that a similar event maybe of interest to RCB'ers, Jeanie offered to reach out to the instructor on willingness to add another tech session.

Clearwater Lights – Gordy has reached out to Clearwater Lights to see if they'd like to update the club on their products – no response yet received.

The meeting was adjourned at 7:52 pm.

WHALE OF A TOUR B&B RIDE

MARCH 13 & 14, 2015

By Greg Peart

It's time again to make your reservations for the RCB 8th Annual Whale Tour. Please note new departure location below. Greg & Cyndee Peart will again lead a bed & breakfast tour to the lovely Mendocino coast. As always, we plan to stay with Jim and Ayla Douglas at the Sea Gull Inn of Mendocino. The rooms are blocked off, so reservations must be made by calling: The Sea Gull Inn at: 888-937-5204. Let them know you are with the River City Beemers and you will receive 15% off the standard weekend rate, there is a 2 night minimum stay for this event. Your first night rate will be charged as a deposit when the reservation is made and the balance required at check-in. If we exceed the Inns 9 room limit, Jim or Ayla will assist you in obtaining lodging close by in town. We have never needed more than 9 rooms so far. As in past events, this will be a very easy going weekend. Activities depend on the weather, size & wishes of the group. The inn is a beautiful place to just chill. Mendocino is a historic district, small coastal town that is just wonderful to stroll about, watch the migrating whales, shop, or just relax. This tour is designed for couples & is a hit with the ladies. Need I mention the fabulous breakfast delivered to your room each morning? As in past years we will again enjoy a group cocktail party each night prior to departing for dinner.

The Plan: Check out The Sea Gull INN at: www.seagullbb.com, then call 888-937-5204 to make your Own Reservation. Then, Call Greg Peart 916-870-7841 & leave contact # or email him at: XFIL911@comcast.net that you are going with us. Cutoff date for reservations will be: 8PM, Thursday, February 19, 2015. On Friday, March 13th, meet at 8 AM (if you want breakfast) or 9 AM wheels up/full tank at The NEW EPPIES Restaurant. Take West Capitol off ramp from W/b I-80 (at the east end of the Yolo causeway). Make a left turn at end of ramp and go under the I-80 overcrossing. Turn right at the 2nd right turn onto Lake Rd. The NEW EPPIES is behind the Subway Sandwich shop 1st left driveway on Lake Rd. Signs are hard to see. Greg's cell phone: 916-870-7841. This is a rain or shine event, cars welcome if needed.
