The President's Corner

I am typing this message to our membership despite suffering from a severe case of "Glock Thumb" that would incapacitate a less devoted scribe. Glock Thumb (or "GT" as it is known in medical circles) is the well-documented condition that results from firing too many rounds from a Glock 9mm semi-automatic pistol in rapid succession. That particular weapon's slide just keeps whacking your thumb and the next day you just want to go shoot some more!!! I contracted my most recent case of GT at the RCB's inaugural "Ride 'n' Shoot" event at Beale AFB. A dozen or so hearty Rambo-wannabes followed Roseville/Rocklin Rick (the event organizer) on an absolutely "Ken-worthy" route from Susie's to the base and then happily fired away for several hours. Both experts and novices were welcome and everyone had a great time. Except for the damage done to the silhouette targets, there were no injuries or other mishaps. Sadly, RCB'ers who missed the event are permanently out of luck, since there will never be another **inaugural** Ride 'n' Shoot event. Happily, the event is being replaced by the new **annual** RCB Ride 'n' Shoot in 2016 and subsequent years so everyone gets another chance! Special thanks to Rick and Range Security Officers Ray and Mike for organizing the event and for their patience, guidance, and instruction.

The Lois Lewis Memorial Poker Run is this month's featured event. The ride gives us a chance to remember one of our most dedicated and valued members. All of us who knew Lois will always have that wonderful picture in our hearts of Lois and the little pooch in the sidecar as they piled up the miles with Marv. We miss you. RIP, Lois.

The "Timely Renewal Discount Program" is generally going well, but there have been a few minor hiccups that need to be addressed. The way the plan works (or at least is supposed to work) is that members who renew their annual memberships during the month they are due receive 10% off at A&S on parts, accessories and apparel during the subsequent month. The mechanics of the program involve the Club's membership director and the staff at A&S compiling the list of names that the A&S

staff then enters into the shop's computer system to make the discount automatic for the appropriate period. Like all systems, this one is imperfect at times and until the names are in the computer it is not possible for the salespeople at A&S to confirm your discount. On occasion, a member has renewed in a timely way but after the initial list for that month has already been transmitted to A&S. In cases like that, the discount month may be delayed to the following month when the paperwork gets all caught up. Both the Club and A&S are committed to making certain that every member that renews on time gets a full month's worth of discounts. The best way to insure that you are eligible when you think you are is to check the Forum on the RCB website where Mike Herte of A&S posts a list of names and dates for the discount program each month. If you are not on that list, then you will not be in the A&S computer. If you feel you were omitted for any reason, then contact either the Membership Director (Ray Nuguit) or yours truly, RCBPREZ, before you go to A&S expecting to get a deal. One of us will figure out the problem and get you a month's discount as soon as we are able. We do not want the program to become a hassle for A&S. Remember -- if you are not 100% sure that A&S is ready for you to save your 10% -- please call Ray or me before heading over to A&S!!

Reminder: The Spring Classic at the Trinity Lake KOA is coming up at the end of the month. Please sign up on the Forum so we know how many campers to expect. There are also directions on how a reserve a KOA Kabin at a discounted rate. The Stofers will be there with their RCB food truck to provide breakfasts on Saturday and Sunday mornings. This was a great event last year and I expect this year's to be even better. Mark your calendars for May 29-31. It is a great opportunity to revisit Highways 36 and 299, among others.

Ride safely, share the lane (it's legal!) and look twice for cages (they are everywhere!).

Cheers,
Gordy

RCB Member Publishes First Novel of Historical Fiction

"Six Cups of Persistence" proves "it's never too late" to start a new career

Grass Valley, CA, April 8, 2015

RCB member and Grass Valley resident David Swift has enjoyed a number of diverse and varied careers over the years: law enforcement, advertising, hi-tech marketing, and most recently, general contracting. When the recession of 2008 struck, accompanied by a significant decline in the building trades, Swift began to look for new areas to put his talents.

With more free time on his hands, he took to the road, riding his

BMW motorcycle on several cross county trips. It was at a gathering of motorcyclists in Torrey, Utah, that he first crossed paths with fellow rider, Larry Kachadourian. One evening over dinner, Swift first heard the amazing story of Larry's grandfather, Jimmy, who, as a young boy, had lost his family during the Armenian Genocide of 1915. After hiding out with Kurds for several years, Jimmy eventually fled to Turkey, beginning a 30-year odyssey to find his family and connect with relatives in America. And the seed for a novel was planted.

Over the years, Swift told the story to friends and family, who found it inspiring. Several suggested turning it into a book or a screenplay. While he had written numerous travel articles for motorcycle magazines, Swift had never attempted a long format project like a novel. His wife, Janet encouraged him to take advantage of his "retirement" and her solid career to write a novel. His daughters sent him several 'how to' books on the craft, with the inscription "It's never too late." So, at age 64, Swift began his new project, with the goal of finishing the book by the 100th anniversary of the Armenian Genocide (April 24th, 2015). After two years of extensive research and writing, Swift finally finished his 300-page novel, "Six Cups of Persistence: A 30-year Struggle for Survival, Love, and the American Dream," one month ahead of schedule.

"It's more than just the story of someone who survives the Armenian Genocide," says Swift. "It's a very moving, coming-of-age story, about overcoming incredible odds in pursuit of personal goals. It also details the passion of those early 20th century immigrants who had the burning desire to become American citizens."

"Six Cups of Persistence" is available in paperback from Amazon.com for \$10.95, or in Kindle format for just \$2.99. More information can be found at Dave's website:

www.davidswift.com.

LATEST ANNOUNCEMENTS FROM THE BMW RIDERS ASSOCIATION

Breaking news! We are giving away a BMW Navigator Adventure GPS in a drawing from anyone that is pre-registered to attend the "Thrills in the Hills" BMW RA rally in Harrison, AR, Oct 1-4, 2015. The winner will be announced at closing ceremonies at the rally. You need not be present to win, but you must be pre-registered by **July 1, 2015**. Simply go to our website and follow the pre-reg directions. The rally fee is the best we've been able to offer in years. \$35 for RA members, \$50 for non-members if you pre-register. Get your name on the list. You could be the winner of the Navigator. Price at the gate is \$15 more for members and non-members.

We did a site visit last week and met with the town's dignitaries, food vendors, media and law enforcement. Everyone is anxious to have us visit their fine city.

There will be a local caterer serving a breakfast buffet Thursday, Friday and Saturday mornings and dinner buffet on Thursday and Friday evenings. The cost will be modest. There will be a "chuck Wagon dinner" available on Saturday evening. Another food vendor will be open each day as well. And of course, there will be a beer vendor.

We have entertainment booked for both Friday and Saturday night.

Campers will be able to enjoy nightly campfires and the wood will be free. We will have a bike wash corral for those that managed to accumulate a bit of road dust/mud on the visit to Harrison.

Rallies don't occur without volunteers. Contact our Rally Chair Tina at 262-409-3899 to see how you or your club can help make this one of the best rallies in years.

You will see continued additions to the rally page for our "Thrills in the Hills" rally Oct 1-4, 2015 at the Fairgrounds in Harrison, Arkansas. Harrison is 1/2 hour from Branson and has some of the best roads in the United States. We have a brochure produced by the Arkansas Tourism department, with 21

interesting roads up on our rally page. The rides list the miles for the loop and has text explaining what you can find along the route. A link on our website by the Arkansas Tourism Bureau provides a list of interesting roads to explore.

The rally page of our website has a list of participating hotels that are in the area and will offer special reduced rates.

The Vendor building is the largest space we've had yet, with both air conditioning and heat as needed.

We will be adding more information as it develops.

Charter Clubs that have not renewed by now are not visible on the RA Charter Club Webpage. Most of you have renewed but if not, please get in touch with me as soon as you can. The benefits out way the mere \$15 renewal fee.

The Riders Association Board of Directors is recommending some needed changes to the club's Bylaws. Please log into the website and cast your ballot or mail in a paper ballot found in the Jan/Feb OTL and the upcoming Mar/Apr issue. The mail in address is listed on the website at <http://bmwra.org/content/2015-proposed-changes-club-bylaws>. If you have any questions, you can reach me at womanridge@wi.rr.com.

1985 K100RS

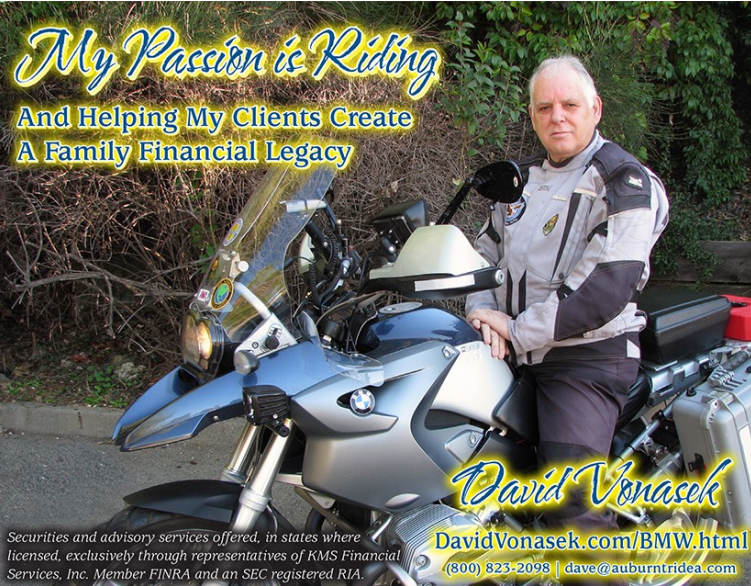

For Sale
The FIRST 4 cylinder BMW sent to the U.S. 90K. The bike was way ahead of its time. Disks all around, fuel injection, 90 HP. I've "RT'd"- it-higher/wider bars, (still have the low bars), RT mirrors/brush guards, Aeroflow quick detach windshield, flat rear luggage rack. Always on AMSOIL, have all service records. Owned 10 years & will vouch for why it's called the "Flying Brick", you just can't kill 'em. No dents, a few "affection blemishes." Own a classic. \$2,500.
