I very nearly forgot to do my "Corner" this month, since I was up at the Spring Classic from May 29-31 with my riding buddies. So with only about nine hours left before June 1 -- and an angry message from the Newsletter Editor -- I am hurriedly setting my latest thoughts to paper (or to paper's electronic equivalent).

The Spring Classic was a classic! The roads getting to Trinity (especially Routes 36 and 3) are nationally famous and deservedly so. About forty hearty souls ended up attending the event. That was less than last year's record attendance but more than the number of people who had actually signed up for the event. As always, the RCB management team and all the event coordinators live by the maxim "Semper Gumby!" ("Always Flexible!"). So those extra bodies did not present any difficulties and were indeed most welcome. Saturday morning saw groups go off in various directions for day trips to Forest Service 1, the Lost Coast, Forks of Salmon, and other out-of-the-way spots. Everyone returned safely and every route got a rave review. Apparently, it is just about impossible to find a bad road if you start out from the Trinity River KOA. Three lucky attendees even snagged door prizes for themselves. We all missed Ken, our beloved Roadmeister, who is still waiting for new wheels for his ride to replace the ones a rock devoured near Berryessa. None of us could figure out why the brainiacs at BMW Motorrad would not have thought that having at least a few spare wheels somewhere in the good old U.S. of A. would be a smart idea. Hopefully Ken will be back leading us shortly.

This month features a traditional event -- the Oyster Run and Campout -- and a new entry on the schedule -- the Newcastle Rope Swing BBQ. As usual, the Oyster Run will be the monthly Club ride to the Marshall Store for fresh oysters with the option to overnight at nearby Samuel P. Taylor State Park. The Newcastle event will be the last Saturday of the month (June 27) with a genuine rope swing (into a pond, of course!) and a barbeque. Folks are welcome to camp out on the sand (!) beach by the pond on Saturday night and then enjoy a group breakfast on Sunday morning. There will be more details and a sign up list on the website as the event date nears.

Summer is almost here. Remember that the BMW MOA National Rally is July 23-26 in beautiful Billings, Montana. I fully expect that our Club will be in the running for the award for the Club with the most members attending. We would have won that award in Salem if we were able to get our paperwork act together in time. This year we will be ready for whatever bureaucratic machinations the rally organizers devise. We will be organizing (more or less) group rides leaving on various days leading up to the rally. Stay tuned for details.

That's it for this edition. I made it with a few hours to spare.

Cheers and ride safely,
Gordy

RCB Member Publishes First Novel of Historical Fiction

"Six Cups of Persistence" proves "it's never too late" to start a new career

Grass Valley, CA, April 8, 2015

RCB member and Grass Valley resident David Swift has enjoyed a number of diverse and varied careers over the years: law enforcement, advertising, hi-tech marketing, and most recently, general contracting. When the recession of 2008 struck, accompanied by a significant decline in the building trades, Swift began to look for new areas to put his talents.

With more free time on his hands, he took to the road, riding his

BMW motorcycle on several cross county trips. It was at a gathering of motorcyclists in Torrey, Utah, that he first crossed paths with fellow rider, Larry Kachadourian. One evening over dinner, Swift first heard the amazing story of Larry's grandfather, Jimmy, who, as a young boy, had lost his family during the Armenian Genocide of 1915. After hiding out with Kurds for several years, Jimmy eventually fled to Turkey, beginning a 30-year odyssey to find his family and connect with relatives in America. And the seed for a novel was planted.

Over the years, Swift told the story to friends and family, who found it inspiring. Several suggested turning it into a book or a screenplay. While he had written numerous travel articles for motorcycle magazines, Swift had never attempted a long format project like a novel. His wife, Janet encouraged him to take advantage of his "retirement" and her solid career to write a novel. His daughters sent him several "how to" books on the craft, with the inscription "It's never too late." So, at age 64, Swift began his new project, with the goal of finishing the book by the 100th anniversary of the Armenian Genocide (April 24th, 2015). After two years of extensive research and writing, Swift finally finished his 300-page novel, "Six Cups of Persistence: A 30-year Struggle for Survival, Love, and the American Dream," one month ahead of schedule.

"It's more than just the story of someone who survives the Armenian Genocide," says Swift. "It's a very moving, coming-of-age story, about overcoming incredible odds in pursuit of personal goals. It also details the passion of those early 20th century immigrants who had the burning desire to become American citizens."

"Six Cups of Persistence" is available in paperback from Amazon.com for \$10.95, or in Kindle format for just \$2.99. More information can be found at Dave's website:

R1200RT WC Corbin Seat

I ordered a Corbin seat for my 2014 R1200RT and tried it out. Not for me. Great looking seat you can see a photo of it at <http://corbin.com/bmw/bmwr12rt14.shtml>. It was made with Carbon Fiber Leather and is heated. It also was ordered without the backrest hardware. It looks absolutely beautiful on the bike but both me and my passenger agree it just isn't for us. Paid \$750 first \$500 takes it.

2004 BMW R1150GS (ABS)

For Sale

I have a 2004 BMW R1150GS (ABS) Heated Grips with 62,038 miles and lots of upgrades. She has some cuts and bruises but, is mechanical sound. Just serviced all fluids changed, new plugs and filters, and valves adjusted. Runs great. Tires have lots of tread left. Back in November I went down due to being ran off the road. All critical damage was repaired. Remaining damage is mostly cosmetic. The biggest remaining damage is a small dent in tank and scratch. The dent is not that noticeable and the scratch can easily be covered up by one of the stickers most GS have on the tank. The second biggest remaining damage is on the left Jesse bag. Touch up paint can take care of it. Other than that the rest is minor. I have the following upgrades: Rick Mayer Dual Seat with Leather inserts; Advance Sport Touring Luggage Rack with Backrest; Top of the Line Luggage Rack; ZTechnik Z2241 Windshield; Renthal Fatbar Handle Bars; Rox Speed FX Fully Adjustable Bar Risers; Crash Bars; Jesse Side Cases; Jesse Top Box Extender; CSS Tank Pads; Metzler Tourance Front and Rear; Slime Air Pump. I probably missed something. I also have additional riding gear I am willing to sell in addition like Tank Bag etc. I have been riding for over 30 year and over 18 motorcycles and bar far this has been the best bike; however this was the first time being down with my GF on the back. I think it is time for me to get a Jeep Wrangler. Price is negotiable. Darold Cooper (916) 365-1054 DaroldCooper@yahoo.com 05/07/2015
