January 2016

PRESIDENT'S CORNER by Gordy Olson, RCBPREZ

HAPPY NEW YEAR! It is hard to believe that 2016 is already here. Since I have been riding a much faster bike these past few years, it seems that everything (including the calendar) is also moving faster. Maybe I should go back to the K75 to slow things down.....then again, maybe not!

Last year was filled with all sorts of exciting news and events and this coming year will certainly continue that pattern. Happily, our beloved RideMeister Ken is on the mend and hopefully will be making his return to the head of the pack later in the year. Until then, a number of other members have agreed to organize and lead our monthly rides in his absence.

A number of annual events will be back this year: the Spring and Fall Classics, the Ride 'n' Bowl, the Railroad Flat July 4th Picnic, the Day After Thanksgiving Ride (date still TBD, of course), the Tahoe Chill (likely to be at a new venue this year), and the Christmas/Kwanzaa/Chanukah/Winter Solstice Party. There are also some new events on the calendar, including a Rope Swing Extravaganza (including BBQ and swimming) in June. I am exploring options for Tech Days and will advise when and if anything materializes. It would truly be a shame for my carburetor adjustment skills to go unused this year.

I am confident that many members will add new bikes to their stables, either as additions or replacements, and look forward to drooling over them as they arrive at Susie's each Saturday. I never get tired of the camaraderie we share each week. I can only imagine how much more the guys and gals that are still working (poor souls!) must look forward to those breakfasts! Just think – if the club ever gets to the point that every member is retired,

January and February 2016

we could have breakfast together every day!!!

This is the time of the year for New Year's resolutions. My advice is to not waste any energy on foolish resolutions like "Lose twenty pounds" or "Be kind to strangers" or "Run a marathon". Stick with ideas that are achievable and, once completed, will truly make you a better person.

Here are the ten RCB-approved resolutions:

1. Ride more often.
2. Ride longer.
3. Ride in any weather.
4. Ride with your friends.
5. Ride with your casual acquaintances.
6. Ride with folks you really don't even like that much.
7. Only ride on days that end in "Y".
8. Buy more raffle tickets each month (but don't waste any \$\$ on lottery tickets!).
9. Never miss an RCB meeting.

....and finally....

10. Have the best year of your life!

February 2016

PRESIDENT'S CORNER by Gordy Olson, RCBPREZ

Although it might diminish the riding opportunities for the faint of heart, I guess we should all be thankful that El Nino is finally bringing us some much-needed rain. There is no good reason to stop riding even in less than ideal conditions. As the saying goes: "There is no bad weather, only bad planning and bad equipment!". Naturally, I am writing this from the comfort of my home and my GS has never actually been rained on.....only because I worry that my carburetors might get wet and rust up.

As I foreshadowed in the December Prez Corner, the Board of Directors has finally bitten the bullet and voted to increase our annual dues by \$1.00 per month, bringing the annual total to \$36.00. Our Club has not raised its dues in over a decade. Over the last several years, club expenses

have exceeded club revenues and we have drawn down the Club's reserves from approximately \$12,000 to the earlier Board-approved level of \$6,000. Now that our reserve level is where it is supposed to be (neither dangerously low nor unnecessarily high), it is time to reconfigure our dues structure so that our anticipated revenues match our anticipated expenses each year. The Board has approved a scheduled of events for 2016 and the total budget for events and normal operating expenses is approximately \$7,000. Using 200 as our target membership level (we are slightly below that at the moment), we determined that \$36 per year would be the fiscally responsible level for our annual dues going forward. As in past years, the monthly raffle is revenue neutral (i.e., the receipts from one month are used to purchase the prizes for the following month). The raffle should neither cost the club money nor try to generate funds for other club activities. It is just fun!

For those members wondering just how they are ever going to be able to come up with the

January and February 2016

additional dollar each month, I have the following suggestions:

1. Take out a \$12 title loan on your bike to cover the monthly dues increase for the year. (Of course, this option can also be expanded in multiples of \$12 if you prefer to pre-pay the dues increase for additional years!)
2. Renew your membership on time and then spend \$120 at A&S during the following month and use the \$12 savings to fully offset the dues increase for the year.
3. Renew your membership on time and then spend \$360 at A&S during the following month and use the \$36 savings to pay your dues for the entire year.
4. Purchase one less raffle ticket each month and set that dollar aside each month to cover the dues increase. (Note: No \$1.00 credit will be offered for simply foregoing your free ticket!)

5. Participate in more events during the year. (Strictly speaking, this doesn't help you come up with the additional dollar, but it does make you feel better about spending it.)
6. Drink more free beer at the Spring and Fall Classics. (Again, not really a money saver, but it is a great way to drown the sorrow of that extra dollar each month!)

But seriously. folks.....
The Board is committed to operating our Club responsibly and – most important – actively! We have a terrific calendar of events planned and I am certain that everyone will agree with me that the money we all spend on RCB-related activities pays greater dividends than that of any of our other investments.

Ride safely and often!

Cheers,
Gordy

By Greg Peart

March 11, 12 & 13 2016

It's time again to make your reservations for the RCB 9th Annual Whale Tour. Please note new departure location below. Greg & Cyndee Peart will again lead a bed & breakfast tour to the lovely Mendocino coast. As always, we plan to stay with Jim and Ayla Douglas at the Sea Gull Inn of Mendocino. The rooms are blocked off, so reservations must be made by calling: The Sea Gull Inn at: [888-937-5204](tel:888-937-5204). Let them know you are with the River City Beemers and you will receive 15% off the standard weekend rate, there is a 2 night minimum stay for this event. Your first night rate will be charged as a deposit when the reservation is made and the balance required at check-in. If we exceed the Inns 9 room limit and we just may this year as of 1/24/16 there is only 1 room left, Jim or Ayla will assist you in obtaining lodging close by in town. We have never needed more than 9 rooms so far. As in past events, this will be a very easy going weekend. Activities depend on the weather, size & wishes of the group. The inn is a beautiful place to just chill. Mendocino is a historic district, small coastal town that is just wonderful to stroll

about, watch the migrating whales, shop, or just relax. This tour is designed for couples & is a hit with the ladies. Need I mention the fabulous breakfast delivered to your room each morning? As in past years we will again enjoy a group cocktail party each night prior to departing for dinner.

The Plan: Check out The Sea Gull INN at: www.seagullbb.com , then call 888-937-5204 to make your Own Reservation. Then, Call Greg Peart 916-870-7841 & leave contact # or email him at: XFIL911@comcast.net that you are going with us. Cutoff date for reservations will be: 8PM, Thursday, February 18, 2016. On Friday, March 11th, meet at 8 AM (if you want breakfast) or 9 AM wheels up/full tank at The **NEW EPIES Restaurant**, 4025 Lake Rd, W. Sac, Ca. Take West Capitol off ramp from W/b I-80 (at the east end of the Yolo causeway). Make a left turn at end of ramp and go under the I-80 overcrossing. Turn right at the 2nd right turn onto Lake Rd. The NEW EPIES is behind the Subway Sandwich shop 1st left driveway on Lake Rd. Signs are hard to see. Greg's cell phone: 916-870-7841. This is a rain or shine event, cars welcome if needed.

Firstgear Riding Jacket

For Sale

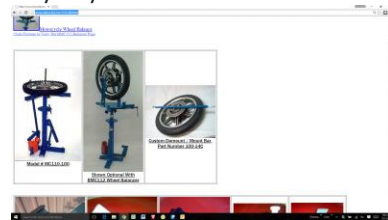

I have my old blue / black riding jacket that I'd like to offer up free to a new rider or someone in need of gear other than a sweatshirt or jean jacket. Won't do you much good in rain anymore with the duct tape "support", but it is a solid piece of gear that will keep you warm. I'm hoping to find it a home with some one who just cannot spring for this type of gear. So, if you know of someone with that type of need, and they wear 2XT size, let's get them a jacket to wear. I'll throw in a liner too. Let's start with email and go from there.
