President's Corner by Gordy Olson, RCBPREZ

May is shaping up to be a very busy month!

If past years are any indication, then a substantial number of RCB'ers will be participating in this year's Lois Lewis Memorial Poker Run. The Poker Run is the Club's only "bittersweet" event, where we have an opportunity both to miss Lois's presence and to honor her legacy. As usual, there will be a terrific meal served at the Sweeney's after the ride. As soon as you finish reading this, go mark your calendar for May 7, departing from A&S at 9:00 or so after our monthly meeting and raffle at Sonya's (oops, I meant at Susie's).

Just a week after the Poker Run, we are off to the Trinity KOA for the annual Spring Classic! The "inconvenient truth" that a large piece of

California Highway 3 (right between Weaverville and the KOA) slid into the lake earlier this year will not deter us from riding and partying as usual. The event organizers have figured out an alternative route. This year, we will be approaching the KOA from the north rather than from the south (rumor has it that we will be close to Portland, OR at one point on the ride). New roads leading to old destinations are always welcome. Also welcome is the beer and chili feed offered on Saturday night. We will have to figure out alternative fueling plans since the Weaverville Chevron is unreachable from the KOA until CalTrans finally gets Highway 3 put back together.

Skip ahead two more weeks and it is time for the 49'er Rally down in Mariposa. This hearty perennial always draws a crowd from RCB and from our sister clubs. We have all ridden most of the possible routes to Mariposa multiple times. That said, they are still great motorcycle roads and we are lucky to live so close to them and to have the opportunity to enjoy them often.

May 2016

On the Club news side of things..... the Board of Directors is finally getting serious about securing "officers and directors" insurance for the Board. I know that the absence of such protection has discouraged some members from serving on the board. Hopefully, that impediment will be removed sometime this year. Our financial situation is fine and we are tracking closely with the budget projections for event costs and membership revenue. The raffle continues to be "revenue-neutral" with the income generated covering the costs of the prizes awarded. As always, if members have ideas for raffle prizes -- let the Rafflemeister hear from you.

Prime riding season is just around the corner. Ken is back

in the saddle again (on a GS no less!). Life is good!

Cheers,
Gordy

- **Website Upgrade** - no new info as yet
- **D&O Insurance update** - Rand to contact a suggested broker in the coming weeks to acquire a quote for D&O liability insurance for our 507(c)(7) Social Club.
- **Raffle License** - Karl has reviewed the guidelines surrounding Nonprofit Raffle Regulations and determined that the Club requires a license. As the effective date for annual renewal is September, he will plan to submit the needed paperwork along with \$20 fee in July/August.

CLUB EVENTS

Christmas in July

Because of the tremendous reception we received at the Children's Receiving Home for our toy run and BBQ this past December, we decided to do an Xmas in July for them in, as luck would have it, July. On July 9th, one week after our club meeting and picnic ride, we are going to grill some hot dogs and hamburgers for the kids, staff, and us, only this time we have a new twist to the menu. Since it's more likely than not it will be hot out that day, we are going to do an ice cream bar for them for dessert - cones, cups, sundaes, etc. served by some of our outstanding volunteer members. Tanya, the SCRH director, is very excited about this, and says the kids will be ecstatic. It should be a real treat for them. So look for a sign up list on the forum coming soon; we'll need burger flippers and ice cream servers, and if you'd rather donate something instead they can certainly use anything you can give. Tanya has reminded me that they have birthdays all year, and the facility can always use money or gift cards or just basic things the kids need all the time. Toothbrushes, toothpaste, underpants and t shirts, pens, pencils, paper, just to name a few. I know we have very generous members, so if you feel like donating there's not too many more deserving places than the Receiving Home.

By the way, I asked the Vagos if they'd bring the sprinkles for the sundaes, haven't received an answer yet. Maybe they call them jimmies like some parts of the country do, and they didn't understand the request. I guess we can't count on them.

Remember, these kids are there for no reason of their doing. Let's show them that there are people in the world who do care about them.

The RCB Spring Classic will be held once again at the beautiful Trinity KOA on May 13th-15th

2016 Yerington Ride N Bowl coming Saturday, August 6th

Good news for all of you Extreme Bowlers and Riders out there. The 17th annual Ride N Bowl will be Saturday, August 6th at the famous Yerington Inn and the bowling will be at the Pioneer Crossing Casino (formerly Casino West). The bowling will begin at 5 pm and end at 7 pm. The easiest and most fun way to get to Yerington is tag along with the club's ride to either Genoa, NV or Markleeville, CA deli for lunch after the Club meeting. The lunch stop will be determined by the ride leader before departing from the club breakfast at Susie's. We will then stop for lunch at the local deli and then continue on with the group ride to the Yerington Inn.

The Yerington Inn will hold rooms until July 25th for the River City Beemers. There is a baseball tournament that same August 6th weekend so the rooms will be sold out after July 25th. So don't delay making your reservation. To make your reservation at the Yerington Inn call only this number, "775-463-5310". Mention to the

reservation clerk that you are attending the "River City Beemers" event on Saturday, August 6th. By mentioning "River City Beemers" you will get the discount rate of \$69 plus tax for the room.

Don't forget to bring your RCB bowling shirt for the group photo. If this will be your first time and you have more questions call or email me and I will be happy to answer them! The ride to Yerington is always scenic and fun because of all the twisty roads crossing over the Sierra Nevada mountain range.

See you there.

While the following is not an official RCB event, I thought I would add it in for those of you who do not regularly attend the RCB Forum.

Chief Joseph Rally in John Day, Oregon

After a 2-year hiatus, we're going to have a semi-organized club ride to the Chief Joseph Rally in John Day, Oregon. The route is in the planning stages but we'll try to go through Lassen Park if the road is open. Plenty of snow this year so that might be pretty iffy. Plan on leaving (clutch out, gas tank full, bladder empty) at 8:00 AM from Susie's on Thursday, June 16. Thursday night we will bed down in Lakeview, Oregon at the Best Western at about \$115 for 2 beds 2 persons, \$90 for 1bed 1 person. (541-947-2194) or Executive Inn at about \$75 2 beds, 2 persons, \$65 for 1 bed, 1 person. (541-947-2201) Rates quoted assume some kind of discount. (AAA, AARP, Military,

etc) Make your own reservations. There's a pretty good Mexican restaurant next door where we have a group feed Thursday night. Friday morning we're far less organized and head out whenever to John Day. Your Friday dinner is included in the registration fee so you want to arrive before 5:00 PM. (It's only about 3 to 4 hours from Lakeview to John Day)

After the rally you're pretty much on your own for the ride home. I tend to leave at O'dark thirty and ride straight through. It's about 600 miles if you take US-395 to Reno then I-80 to Sacramento. John Day is in the center of some great riding and the rally site features good grass camping, actual HOT showers, and entertainment that is something besides LOUD. Did I

mention that your registration fee includes dinner on both Friday and Saturday nights? Hope to see a lot of you there. Questions? Call Gary Stofer 916-966-7910 or Al Morrison 916-955-2381 or here's a link to the rally website: bmwro.org/rally.html
