Boy, is it hot!! Summer is definitely here in all its 100-degree-plus glory. Fortunately, all of us have properly vented jackets and pants, summer gloves, cooling vests and/or sleeves, and Camelbacks, so we can continue to ride whatever the temperature. I suppose that in a real pinch, there is always the option of jumping into an air-conditioned cage. There is no excuse for riding without the proper protective gear. As the saying goes: If you think it is simply too hot to put on all of your gear, then it is simply too hot to ride! As usual, the Railroad Flat picnic will kick off the summer season. The "Christmas in July" toy run for our friends at the Sacramento Children's Receiving Home follows later in the month. Then, at month's end, we are off to Yerington, NV, to punish some bowling

pins wearing our every-so-fashionable "RCB Squared" custom bowling shirts! The BMW Riders' Association (BMWRA) is holding a special event at Laguna Seca this year instead of its traditional national rally. The event is tied to the 100th Anniversary of BMW celebration. The RA activities will be held August 25-28. Pre-registration for the event ends on August 7. Camping space is limited, so register early. Maybe we can get a group together to ride down to Monterey and enjoy the festivities. Nate Kern will be there along with exhibits of classic BMW bikes and automobiles. Save the dates!! There will also be a somewhat smaller event at A&S on August 20 celebrating the 100th Anniversary. BMW MOA is providing money for refreshments and A&S will be hosting its vintage bike show that day. It should be fun and offers yet another opportunity for RCB'ers to get some free food! I have always believed that we are really just "an eating club with a riding problem"! We had a quite a good crop of club members up in John Day, OR, for the Chief Joseph Rally

this year. The weather cooperated (mostly) and the roads up there were beautiful. Ray T. made an unscheduled visit to Bend, OR (in the rain and in the dark, no less!) to replace a tire when he cut a sidewall hitting a rock just outside of John Day. That little hiccup was the only bad news and two RCB'ers managed to win prizes at the event finale! All in all, it was a great trip and

hopefully we will be able to convince the faint-hearted who backed out this year to attend next year. (For a full list of those who were not weatherproof/manly enough to attend this year contact RCBPREZ discreetly!)
Ride cool!
Cheers,
Gordy

Old Business

- **Payment Processing / BMW Rider Association** -See Treasurer's report
- **Membership**
 - New Member Outreach - Gordy to personally make contact when new members sign-up. To grow the RCB friend base, Karl suggested that tri-fold brochures be housed at A&S and Cycle World's community stand letting all know what we're about (sample brochure shared). Marv mentioned that such brochures may already be available and that he would try to locate.
 - Active Membership Benefits - To ensure active members are receiving value for their paid membership, ideas for defining website access for members vs. non-member discussed.
- **Liability Insurance** - Jack reviewed the liability/D&O insurance options presented to the Board last month with comments forwarded to the Prez. In his opinion, the D&O insurance which provides fiduciary coverage only does not meet the Club's overall need / the liability insurance, while prudent, has a high-cost which may prove to be unaffordable based on our Club size / the Club should implement the use of an attendee waiver form for all rides and events . With additional questions raised further conversation to occur.
- **Website Rebuild** - Ken provided update that the market price for a website build is between \$1,500 and \$2,000. Ken and Bruce A. to huddle up weigh the effort/ability needed to build the new website in-house.

CLUB EVENTS

Christmas in July

Because of the tremendous reception we received at the Children's Receiving Home for our toy run and BBQ this past December, we decided to do an Xmas in July for them in, as luck would have it, July. On July 9th, one week after our club meeting and picnic ride, we are going to grill some hot dogs and hamburgers for the kids, staff, and us, only this time we have a new twist to the menu. Since it's more likely than not it will be hot out that day, we are going to do an ice cream bar for them for dessert - cones, cups, sundaes, etc. served by some of our outstanding volunteer members. Tanya, the SCRH director, is very excited about this, and says the kids will be ecstatic. It should be a real treat for them. So look for a sign up list on the forum coming soon; we'll need burger flippers and ice cream servers, and if you'd rather donate something instead they can certainly use anything you can give. Tanya has reminded me that they have birthdays all year, and the facility can always use money or gift cards or just basic things the kids need all the time. Toothbrushes, toothpaste, underpants and t shirts, pens, pencils, paper, just to name a few. I know we have very generous members, so if you feel like donating there's not too many more deserving places than the Receiving Home.

By the way, I asked the Vagos if they'd bring the sprinkles for the sundaes, haven't received an answer yet. Maybe they call them jimmies like some parts of the country do, and they didn't understand the request. I guess we can't count on them.

Remember, these kids are there for no reason of their doing. Let's show them that there are people in the world who do care about them.

2016 Yerington Ride N Bowl coming Saturday, August 6th

Good news for all of you Extreme Bowlers and Riders out there. The 17th annual Ride N Bowl will be Saturday, August 6th at the famous Yerington Inn and the bowling will be at the Pioneer Crossing Casino (formerly Casino West). The bowling will begin at 5 pm and end at 7 pm. The easiest and most fun way to get to Yerington is tag along with the club's ride to either Genoa, NV or Markleeville, CA deli for lunch after the Club meeting. The lunch stop will be determined by the ride leader before departing from the club breakfast at Susie's. We will then stop for lunch at the local deli and then continue on with the group ride to the Yerington Inn.

The Yerington Inn will hold rooms until July 25th for the River City Beemers. There is a baseball tournament that same August 6th weekend so the rooms will be sold out after July 25th. So don't delay making your reservation. To make your reservation at the Yerington Inn call only this number, "775-463-5310". Mention to the reservation clerk that you are attending the "River City Beemers" event on Saturday, August 6th. By mentioning "River City Beemers" you will get the discount rate of \$69 plus tax for the room.

Don't forget to bring your RCB bowling shirt for the group photo. If this will be your first time and you have more questions call or email me and I will be happy to answer them! The ride to Yerington is always scenic and fun because of all the twisty roads crossing over the Sierra Nevada mountain range.

See you there.
