President's Corner by Gordy Olson, RCBPREZ

As I sit down to write my next-to-penultimate PrezCorner, I am thinking about all the good times that I have had in this club over the past ten years. There is something very special about a group of guys and gals that is so committed to motorcycling and to each other. It makes me consider rethinking my decision to step down as president after this year – NOT!!!

This weekend – when almost 100 of us will be gathered at Manchester – would be the perfect time for someone to announce his (or her!) intention to be our next president. The position comes with all of the pomp and circumstance of the U.S. Presidency without the need to debate either The Donald or The Hillary. At least think about it.

If no one steps forward, then I will contact both the Trump and Clinton campaigns to see if they are interested in having the RCB Presidency serve as the consolation prize for the loser of the upcoming general election. Their answers will tell us just how desperate the loser is to be president of *something*, even if it can't be the United States of America!

Even those who are not interested in being our next club president (and there are apparently a lot of you out there!) can still help with club events. Our annual planning meeting is just around the corner on November 20. Start thinking now about events you would like to see in 2017 and about ways you could help make them happen. We depend a lot on a relatively small number of members to organize and operate our club. Let's try to expand that group of active members in the years to come.

On a more serious and somber note.....there were two fatal accidents this year involving riders on their way to the Beemer Bash in Quincy. One

rider went off Bucks Lake Road late at night and the other rear-ended a trailer making a turn in front of him. We should never lose sight of the potential dangers that come with motorcycling. We should all recommit ourselves to keeping our riding skills sharp through training and practice. We should all continue our commitment to never drink and

ride. We should all continue to wear all the gear all the time. We should not be afraid to offer advice to other riders if we see them doing potentially dangerous things. I know that we will all keep riding. Let's make sure that we do it responsibly and safely. I want to be riding with you guys for many years after my time as your president is over.

See you all up in Manchester!

Cheers,  
Gordy

## CLUB EVENTS

Since the Fall Classic is over and by all reports another success, there doesn't seem to be much going on in October, November, and December.

### Wednesday Dinner Ride

Location:

Coffee Republic, Folsom, CA

**When:** Every Wednesday, 6:30PM departure

**Where:** Coffee Republic, 6610 Folsom-Auburn Road, Folsom, CA 95630

**What:** Riders meet at the Folsom Coffee Republic before heading out to a local dining establishment 30-45 minutes away. After dinner, the riders return home on their own. Locations are chosen the previous week by the participants. Participation varies between three and 30 riders depending on the time of year and the weather. And yes, we ride in rain and during holiday periods although the groups tend to be smaller and the destinations closer by. But through it all, we haven't missed a Wednesday in over two years!

Each week's destination is usually posted in our [forum](#) on the previous Monday or Tuesday.

### Board of Directors Meeting

Location:

Cool River Pizza, 1805 Cirby Way STE 3

10/11/2016 - 7:00pm

The RCB board of directors meets monthly to review past activities and plan future events. Consideration is given to member interest and cost, and the meeting is open to all.

While the meeting begins at 7:00PM, most of the directors gather earlier to have dinner.

RCB member participation is strongly encouraged.

### Monthly Club Meeting

Location:

Susie's Country Oaks Cafe, 500 Cirby Way, Roseville, CA 95678

11/05/2016 – 8:00am

12/03/2016 – 8:00am

Organizer:

Club Membership

Join your fellow **RCB** members every month to hear the latest club news, learn about upcoming events, participate in a fun raffle, and, of course, to socialize with your friends. Attendance is usually between 40 and 60, or roughly 20% of our club.

*Note: Although there's no meeting on the other Saturdays, quite a few members still make it to Susie's for conversation and sometimes a pickup ride.*

## Monthly Club Ride

Location:

Susie's Country Oaks Cafe, 500 Cirby Way, Roseville, CA 95678

11/05/2016 – 9:00am

12/03/2016 – 9:00am

What's better, after breakfast, than a spirited ride through the beautiful NorCal roads we've been blessed with? Except for special events, the rides are generally 2-3 hours in length, cover 100-200 miles, and end with a lunch at some destination. The rides are generally "spirited" but if we get enough participation, we generally add a second, more relaxed-pace group. Clutch out is 9:00AM or when the monthly meeting ends, whichever is later, and ride sheets are usually distributed prior to departure. Please show up with a full tank of gas.

## 2017 Planning Meeting

Location:

Round Table Pizza, 9500 Greenback Ln, Folsom, CA 95630

Date/Time:

11/20/2016 - 5:00pm

Organizer:

Gordy Olson

Contact Number:

916-642-2221

Every year around this time a number of RCB members huddle around a table to plot next year's ride calendar. We'll be looking for a mix of slab and off-road rides, a mix of one day and overnight rides, and a mix of camping and motels rides. We'll also consider other club's activities and try to minimize overlap. In the end, we hope to generate a ride calendar for the coming year..

The meeting starts at 5PM and usually runs for two hours or so. Members propose rides (or rides they would like) and together we try to fit this jigsaw puzzle together. Even if you don't have a ride to propose, it's worth it to stop by just to see how things come together. Hey, it's YOUR club, after all.

RCB picks up the pizza and soft drinks and it's not a bad way to spend a Sunday evening.

Here is a link from our northern club representative Tom Moe. Take a look and see what Montana has to offer. <https://mtbmwriders.org/Newsletters.html>

As always if anyone has something that would like published, travel report, pictures of events, how to articles, etc. Please send them and I will get them published.
