President's Corner by Gordy Olson, RCBPREZ

This is my final President's Corner after five years as Club President. Naturally, my first thought as I sit down to write this message is to remember Gary Stofer. My five years at the helm pale in comparison to his two separate four-year stints leading the Club. In those and all other years, Gary was a constant source of valued guidance, good humor, superb riding, and spirited accordion riffs. To say he will be missed would be the definition of understatement. His passing reminds all of us of the importance of savoring each day, each friend, and each ride – each and every day.

The Club has decided to permanently add Gary's name to our list of Officers and Directors as "President Emeritus". We have also decided to rename the Fall Classic in his honor. Beginning in 2017 we will celebrate his memory each year at the Gary Stofer Memorial Classic at Manchester

Beach. Also, beginning in 2017, the Club will award a new set of tires (with complimentary mounting and balancing at A&S) to the Club member with the highest mileage total for the year. The winner will be announced annually at Manchester. For 2017, the contest will run from January 1 through September 15. Make sure that your membership is up to date by the beginning of the year so you can register your initial mileage. In subsequent years, the contest will run from October 15 through September 15 the following year.

As I get ready to remove my "RCBPRES" vanity plate and turn it (and the responsibility of command) over to my successor, I am confident that the Club will continue to prosper. We have a unique mix of people who are so different in many ways, but so similar in their love of motorcycling. We never get tired of riding, of talking about riding, of planning trips, of taking trips, and of sharing our two-wheeled life adventure. As the saying goes, "You don't stop riding because you get old....you get old because you stop riding!". I am sure that the new President can count on the same support that I enjoyed over the last five years. No one person can keep this Club running without

the cooperation of the larger membership. Every person that organizes an event, a ride, or a party helps keep the Club going. I know that I get a tremendous amount of joy out of the Club and I plan to be active in my "Club retirement" years, helping out with the Tahoe Chill and other events as needed.

It has been a great ride as your President. I am anxious to see what the Club meetings look like

from the other side of the room. I am looking forward to being able to arrive somewhat later for breakfast, knowing someone else will be selling the raffle tickets. I will not, however, relinquish all the responsibilities of the office. I have already reserved my elf costume for the Christmas party and plan to be the "HEAD ELF" even after I become just a regular RCB member in every other respect!

Thanks for all your support over the years – RIDE ON!!

Gary Stofer was laid to rest in the Sacramento Valley National Cemetery in Dixon, CA on Monday, November 21, 2016.

Gary will be missed by one and all. Anyone wishing to share a story or memories of Gary please send them to the Newsletter editor Larry Klein at lwklein@live.com. I will be happy to publish them. Pictures are also welcome.

CLUB EVENTS

The club Christmas party will be held December 3rd.

Annual RCB Toy Run – December 10th.

We will be doing our annual Toy Run for the Sacramento Children's Receiving Home on December 10th, rain or shine. If you want to come along and help cook or serve, or just want to deliver your presents and have lunch with the kids. Remember, these kids are there due to no fault of their own, and I know that they really look forward to the BBQ. Just showing up and demonstrating to the kids that there are people who care about them is a big deal to the kids. No guarantee that the Vagos will be there, maybe we scared them away last time.

Wednesday Dinner Ride

Location:

Coffee Republic, Folsom, CA

When: Every Wednesday, 6:30PM departure

Where: Coffee Republic, 6610 Folsom-Auburn Road, Folsom, CA 95630

What: Riders meet at the Folsom Coffee Republic before heading out to a local dining establishment 30-45 minutes away. After dinner, the riders return home on their own. Locations are chosen the previous week by the participants. Participation

varies between three and 30 riders depending on the time of year and the weather. And yes, we ride in rain and during holiday periods although the groups tend to be smaller and the destinations closer by. But through it all, we haven't missed a Wednesday in over two years!

Each week's destination is usually posted in our **forum** on the previous Monday or Tuesday.

Club Membership

Join your fellow **RCB** members every month to hear the latest club news, learn about upcoming events, participate in a fun raffle, and, of course, to socialize with your friends. Attendance is usually between 40 and 60, or roughly 20% of our club.

Note: Although there's no meeting on the other Saturdays, quite a few members still make it to Susie's for conversation and sometimes a pickup ride.

Monthly Club Ride

Location:

Susie's Country Oaks Cafe, 500 Cirby Way, Roseville, CA 95678

11/05/2016 – 9:00am

12/03/2016 – 9:00am

What's better, after breakfast, than a spirited ride through the beautiful NorCal roads we've been blessed with? Except for special events, the rides are generally 2-3 hours in length, cover 100-200

miles, and end with a lunch at some destination. The rides are generally "spirited" but if we get enough participation, we generally add a second, more relaxed-pace group. Clutch out is 9:00AM or when the monthly meeting ends, whichever is later, and ride sheets are usually distributed prior to departure. Please show up with a full tank of gas.

Here is a link from our northern club representative Tom Moe. Take a look and see what Montana has to offer. <https://mtbmwriders.org/Newsletters.html>

As always if anyone has something that would like published, travel report, pictures of events, how to articles, etc. Please send them and I will get them published.
