### President's Corner

By: Jack Klauschie RCBPREZ

We hear a lot about freedom.

Yet, our lives are so highly regulated it is hard to know what it means to be free. If a bill payment is "received" a nanosecond late, a computer assesses a hefty late fee even though we have no influence, much less control, over how these transactions are handled, more probably manipulated. We must authorize unprecedented access to our private lives by clicking "Accept Terms" we never would give to a stranger in a face-to-face conversation. Legislatures enact laws and regulations that mandate where, when and whether we can \_\_\_\_\_ (fill in the blank) at a pace that makes thinking people wonder if any rational human behavior is untouched. I do not like these trends, but

there does not appear to be much I can do about it.

To make matters more complicated, traditional adult roles are changing, and not always comfortably.

As Kevin Cameron wrote: "We need time to be ourselves. Because otherwise there may be no self to be."

No doubt I must abide by basic traffic laws and the knowledge motorists are trying to kill me, but my refuge, my personal space is the place I go mentally, physically and emotionally when I am riding. This is the time and place I can rediscover myself, and recommit to be the self I strive to be.

Motorcycling is about how these machines make us feel. Get out there and feel it for yourself.

My favorite ride is the one I'm about to start.

Cheers!

Jack

### Minutes

The meeting was called to order at 7:00 p.m.

**Last Month's Minutes:** October meeting minutes approved.

**Membership Report:** 167 members (151 active; 3 new; 12 lifetime; 1 registered-not yet paid)

**Treasurer's Report:** **October (YTD) Cash Balance: \$7,879.** Treasurer's report approved. *Overview and Treasurer's report attached).*

- Karl noted that the year-over-year net gain in cash is currently \$2,593. This uptick notably due to the Gary Stofer Memorial Fall Classic cost coming in lower than expected (a result of the effectiveness of the online event sign-up/payment capability within the new Wild Apricot site).

### Old Business:

- **2018 Board Member Election** - The annual election was held at the November monthly meeting with Scott Moseman and Bob Rasters voted in as Directors replacing Terry and Kim and, post-meeting, Rand Olson accepting the position of Secretary replacing Angel.
- **Website Transition** - It was reiterated that a complete transition to the new site (shut down of old site) effective January 1, 2018 would greatly benefit the Club membership so all have a single place to keep up on Club news. Ken to work with Larry on this transition.

## November/December 2017

- **Membership Recruiting** - With the membership report again reflecting stagnant numbers, the following ideas swirled on
  - Introduce a mentoring system as a way for new members to "plug in" (guidelines set up; the Board or members to sign-up as mentors)
  - Provide A&S with a packet to be offered to new bike purchases that includes a membership application, Club tri-fold, and possibly an incentive (free breakfast or 1-year membership)
  - Begin utilizing social media outlets such as Instagram, Facebook or Twitter
  - Advertise the "good times" had by Club members via pictures posted to the website and on social media. As several Board members were not clear on how to do this, it was noted that adding a tutorial to the website would be helpful to all.

### New Business:

- **RCB Instagram** - Following the above conversation, Ray N. created a RiverCityBeemers Instagram account to be piloted. To keep this new account interesting and relevant, Ray asked the group to post or pass along pictures for him to post.
- **Membership Survey** - At the November monthly meeting, the Prez distributed a survey to get a pulse on what activities and rides were of interest to the group as well as how the Club can entice new members. With feedback received, discussion ensued on possible activities/rides to consider adding to the 2018 RCB calendar. List written - to be discussed at Planning Meeting.
- **Final 2017 Events ...**
  - Planning Meeting - Time changed from 6:00 p.m. to 5:00 p.m. - *website updated*
  - Holiday Party - Gordy will once again be purchasing the main course and sending out an email blast to coordinate the pot luck.
  - Karl added "Event Registrations" on the website for the Holiday Party and Toy Run
- **Passing of a Beemer Buddy** - Terry shared the sad news that Tom Reid, a long-time RCB member, passed away on November 10.

October Treasurers Report

River City Beemers  
Treasurer's Report  
Sept 2017

## Monthly Activity & Overview

- The Wild Apricot transition is almost complete.
  - The financial transactions for both membership and event payments work well, with only minor issues.
  - There have been over 75 invoices generated and paid.
  - The mobile app allows the Treasurer to post changes in event and membership registration almost immediately. Adding and modifying registrations and membership status at Saturday breakfast is a real benefit to tracking transactions.
  - Wild Apricot provides a clear record of all financial transactions along with the ability to make notes in the system documenting any unusual transactions.
- Bob has developed membership management to the point where renewal emails are automated
  - Eliminating the requirement that the membership chair be fluent in Microsoft Access is a huge step forward because non "computer savvy" members can manage membership
  - Bob has developed the renewal process to the point that renewal email notices are automatically generated.
  - It is easy to review invoices for unpaid renewals for individual follow up.
  - Monthly reconciliation between the financial transactions and membership activity is greatly improved.
- Event registration for Manchester went almost without incident. Larry set up the registration parameters and only minor changes were needed.
  - Email announcements are easy to configure and send. After the initial announcement, registrants are excluded from announcement emails
  - Reminders and detail emails to registrants works well and two announcements went out without problems
  - From the financial management perspective, Manchester was a breeze compared to prior events.
    - Collecting registration fees up front will result in a more accurate attendance and dinner count.
    - Event check in support is good and even with limited WiFi worked well.
    - Unregistered attendees and unexpected guests are easy to register.
- Tasks remaining to complete the transition to Wild Apricot
  - Complete the website development
  - Disable access to the old forum
  - Establish administrator access for rotating event chairs
  - Work on optimizing the use of membership and event email resources
- I also think the board should review the by-laws and consider any changes needed to align the club leadership structure, membership management and event management with the abilities and enhanced management provided by Wild Apricot

## November/December 2017

### Club Membership

Join your fellow **RCB** members every month to hear the latest club news, learn about upcoming events, participate in a fun raffle, and, of course, to socialize with your friends. Attendance is usually between 40 and 60, or roughly 20% of our club.

*Note: Although there's no meeting on the other Saturdays, quite a few members still make it to Susie's for conversation and sometimes a pickup ride.*

### Monthly Club Ride

Location:

Susie's Country Oaks Cafe, 500 Cirby Way, Roseville, CA 95678

Leaves Susie's at 9:00am on meeting days

What's better, after breakfast, than a spirited ride through the beautiful NorCal roads we've been blessed with? Except for special events, the rides are generally 2-3 hours in length, cover 100-200 miles, and end with a lunch at some destination. The rides are generally "spirited" but if we get enough participation, we generally add a second, more relaxed-pace group. Clutch out is 9:00AM or when the monthly meeting ends, whichever is later, and ride sheets are usually distributed prior

to departure. Please show up with a full tank of gas.

Check the forum for details of the ride.

Here is a link from our northern club representative Tom Moe. Take a look and see what Montana has to offer. <https://mtbmwriders.org/Newsletters.html>

**As always if anyone has something that would like published, travel report, pictures of events, how to articles, etc. Please send them and I will get them published.**

**Please Check the Forum often to stay updated on club functions and events.**
